Website look/feel is coming along.

Cloud Storage – Google Docs is working fine.

Survey – the results of the survey will be presented at the May Membership meeting. The comments at the end of the survey will be posted on the website.

Picnic is June 18, 4-8pm. The flyer was discussed. As people sign up to attend, more information will be sent out – what is provided, what attendee will bring. Balloons and prizes will be purchased by Jamie Frisbey. Carey will cut the grass; Rick will follow-up with bug spray. Set-up will be Friday afternoon/evening.

New Business

It was brought up that documents should have the date and rbhoo.org on the bottom so people know when the document was last updated.

Instead of an official June meeting, there will be an informational meeting about the governing documents. There will be no July meeting.

There are a few ideas of who could replace Curtis. Board members will make some inquiries.

Cat sitting coordinator sent an article for the website. It has old information on it and needs to be updated.

We are incorporated.

Meeting adjourned at 5:20pm

Respectfully Submitted,

Judy Carter, Secretary
