

Chapter Number	Subject	Abstract	Bill Number
217	Abortion	As enacted, clarifies the term "serious risk of substantial and irreversible impairment of a major bodily function" as used in present law provisions relative to criminal abortion.	SB1004
228	Administrative Procedure (UAPA)	As enacted, generally prohibits a governmental agency from adopting a rule or establishing numeric criteria or numeric limitations applicable to a contaminant, pollutant, hazardous substance, solid waste, or hazardous waste that relates to drinking water, water pollution control, hazardous substances, contaminated site remediation, air quality, or solid or hazardous waste handling unless certain conditions are met.	SB0880
307	Administrative Procedure (UAPA)	As enacted, generally establishes that permanent rules filed in the office of the secretary of state on or after January 1, 2024, that are in effect on the effective date of this act, and that are scheduled for expiration on June 30, 2025, do not expire on June 30, 2025, but remain in effect until repealed or amended by subsequent rule of the appropriate rulemaking agency or until otherwise superseded by legislative enactment.	SB0180
79	Adoption	As enacted, changes from 21 to 18 the age at which certain adoption records must be made available to certain adopted persons; makes various other changes regarding adoption records.	HB0102
386	Adoption	As enacted, allows petitioners to include all children in one adoption petition if the petitioners are seeking to adopt more than one child at the same time, unless the court issues a written order finding that it is in the best interest of the children that separate petitions be filed; specifies that the clerk of court must charge only one filing fee for such a petition.	SB1005
200	Agriculture	As enacted, enacts the "Tennessee Century Farms Act" for the purpose of recognizing the historical significance of family farms that have been in continuous operation in this state for over 100 years and to highlight their contribution to agriculture in and the economy of this state.	HB0901
207	Agriculture, Dept. of	As enacted, establishes June 30 as the expiration date for certain licenses issued by the department.	HB1303
226	Agriculture, Dept. of	As enacted, creates the Tennessee agriculture and forestry hall of fame as the successor to, and a continuation of, the Tennessee agricultural hall of fame; makes related changes.	SB0755
463	Agriculture, Dept. of	As enacted, renames the "Tennessee Meat and Poultry Inspection Act" as the "Tennessee Meat Inspection Act"; revises the act to facilitate the implementation of a state meat inspection program.	SB1265
470	Agriculture, Dept. of	As enacted, establishes a fund for the development and implementation of programs that benefit Tennesseans by preserving farmland and forestland, including a grant program for conservation easements.	SB0207
191	Alcoholic Beverage Commission	As enacted, requires a law enforcement agency to provide records related to an accident, the persons involved in such accident, and persons involved in providing or selling alcoholic beverages to persons involved in an accident upon receipt of a request for such records by the commission; makes related changes.	HB0604

Chapter Number	Subject	Abstract	Bill Number
227	Alcoholic Beverage Commission	As enacted, allows a judge, hearing officer, or administrative judge to award a person or entity that prevails in an administrative or civil action brought against the person or entity attorneys' fees and costs incurred as a result of the administrative or civil action.	SB0835
526	Alcoholic Beverage Commission	As enacted, provides for the regulation of the manufacturing, supplying, wholesale distribution, and retail sale of hemp-derived cannabinoid products by the commission and department of revenue; creates licenses for suppliers, wholesalers, and retailers; establishes taxes for such products and the manner in which such taxes are collected and allocated; establishes civil and criminal penalties for violations.	HB1376
61	Alcoholic Beverages	As enacted, lowers the county population threshold, from in excess of 500,000 to in excess of 350,000, for a sports authority facility to be eligible to obtain a liquor-by-the-drink license; prohibits a facility located in Hamilton County from being issued a license after March 1, 2030, and requires the law enforcement agency that has jurisdiction over a facility located in Hamilton County to provide an annual report to the general assembly detailing any public safety issues related to the facility.	SB0320
181	Alcoholic Beverages	As enacted, authorizes Johnson City to set the hours that licensees within a downtown district designated by the municipality are authorized to sell or give away alcoholic beverages.	SB1155
231	Alcoholic Beverages	As enacted, expands the immunity from prosecution when seeking medical assistance for a person experiencing, or believed to be experiencing, an overdose to include alcohol-related offenses; clarifies that overdose includes both drugs and alcohol.	SB0940
358	Alcoholic Beverages	As enacted, authorizes a licensee that holds more than a 50 percent ownership interest in a manufacturer and a winery that are located on the same deeded property to offer product tastings and make retail sales for consumption on or off of such premises of its wine or spirits manufactured on such deeded property at a location on the overlapping premises other than on the bonded premises of the manufacturer or winery.	SB0111
362	Alcoholic Beverages	As enacted, establishes new premier type tourist resorts, urban park centers, and museums that can offer liquor by the drink; makes certain clarifications with regard to commercial airline travel clubs that can offer liquor by the drink.	SB0308
96	Anatomical Gifts	As enacted, enacts the "Tennessee Genomic Security and End Organ Harvesting Act."	HB0395
428	Animal Cruelty and Abuse	As enacted, prohibits the abandonment of an animal in a person's custody and provides that it is not a defense to prosecution that the person abandoned the animal at or near an animal shelter, veterinary clinic, or other place of shelter if the person did not make reasonable arrangements for the care of the animal.	SB0433
282	Appeal and Review	As enacted, authorizes criminal defendants who plead guilty, best interest, or no contest to also petition for a writ of error coram nobis based on evidence that was, through no fault of the defendant, unknown to the defendant at the time of the plea.	HB0601
530	Appropriations	As enacted, makes appropriations for the fiscal years beginning July 1, 2024, and July 1, 2025.	HB1409

Chapter Number	Subject	Abstract	Bill Number
76	Athletic Trainers	As enacted, authorizes athletic trainers to use dry needling to carry out the practice of prevention, recognition, evaluation, management, disposition, treatment, or rehabilitation of athletic injuries; requires the board of athletic trainers to establish minimum competency requirements for an athletic trainer to demonstrate in order to practice dry needling.	HB0062
58	Attorney General and Reporter	As enacted, authorizes the attorney general and reporter to conduct an investigation and initiate criminal prosecution of a judicial elected official or district attorney general whenever the attorney general and reporter has probable cause to investigate whether an official may have violated any state criminal law and either a decision to prosecute the official by the district attorney general may result in a personal, financial, or political conflict of interest or the attorney general and reporter receives a report of a violation of the prohibition on nepotism within state government entities.	SB0019
155	Auditing	As enacted, removes a requirement that audits and working papers prepared by independent public accountants for annual reports by a governing board operating under the Human Resource Agency Act of 1973 be reviewed by the comptroller of the treasury prior to payment by the human resource agency.	SB0116
188	Bail, Bail Bonds	As enacted, specifies that venue for prosecution of the offense of knowingly violating a condition of release is generally the county in which the conduct constituting the violation of a condition of release occurred; clarifies that if one or more elements of the offense are committed in different counties, then the offense may be prosecuted in either county.	HB0078
253	Bail, Bail Bonds	As enacted, makes various changes regarding global positioning monitoring and the pretrial release of certain defendants.	SB0601
262	Bail, Bail Bonds	As enacted, allows a magistrate to consider hearsay evidence when determining whether a defendant should be released on bail pending trial and the amount of bail necessary to reasonably assure the appearance of the defendant while at the same time protecting the safety of the public.	SB0856
318	Bail, Bail Bonds	As enacted, makes changes to the law relative to professional bondsmen and agents of insurance companies making appearance bonds of a criminal nature.	SB0464
396	Bail, Bail Bonds	As enacted, requires every bondsman licensed in this state to file a quarterly report with the department of revenue detailing the total number of bonds issued by the bondsman in the preceding quarter, the number of bonds issued in each county in which the bondsman operated, and the total amount of the bondsman's liability in each county; requires each clerk of a court that admits defendants to bail to file a quarterly report with the department detailing the total number of bonds accepted from bondsmen and the total amount of the bonds accepted from bondsmen in the preceding quarter; authorizes the department to use the reports to complete audits on the bail bonding tax.	SB1237

Chapter Number	Subject	Abstract	Bill Number
174	Banks and Financial Institutions	As enacted, extends, from one to two business days following receipt of a garnishment, the period of time within which a garnishee must determine whether the garnishee possesses or controls money or property of the judgment debtor, place a hold on any available funds, and furnish to the judgment debtor a copy of the garnishment summons and the notice to judgment debtor; makes other changes related to banking.	SB0765
258	Banks and Financial Institutions	As enacted, authorizes a premium finance company to impose and collect a convenience fee from an insured for use of certain payment methods; authorizes a premium finance company to charge and collect a handling charge for certain payment instruments when the payment instrument is not paid by the financial institution from which the instrument is drawn.	SB0766
127	Boards and Commissions	As enacted, removes requirement that a license issued by a health related board be signed by members of the board prior to such issuance; authorizes the presiding officer to divide the board into panels to conduct contested case hearings or disciplinary matters; includes patient billing records as part of the medical and practice records that providers must make available for inspection upon the department's request; clarifies that identifying information of certain parties to a contested case hearing involving disciplinary charges filed against a provider must only be produced by the provider in response to a subpoena from a law enforcement agency.	SB1284
209	Boards and Commissions	As enacted, changes the qualifications for membership on the medical cannabis commission to include a patient caregiver and a subject matter expert with knowledge of how cannabis is cultivated, processed, shipped, distributed, or prescribed for medical use; specifies that the recommendations made by the commission to the general assembly may include policy recommendations.	SB0299
294	Boards and Commissions	As enacted, prohibits the exclusion of persons from membership on state regulatory and health-related boards on the basis of race, color, ethnicity, and national origin; prohibits such boards from establishing or operating under race-based policies pertaining to their composition; removes requirement that appointing authorities strive to ensure certain boards and commissions are represented by members of racial minorities.	HB1237
452	Boards and Commissions	As enacted, makes various revisions to the governing boards of public higher education institutions.	SB0933
507	Boards and Commissions	As enacted, vacates and reconstitutes the board of ground water management effective July 1, 2025; makes related changes relative to the board.	HB0894
524	Boards and Commissions	As enacted, enacts the "Less is More Act of 2025."	HB1330
214	Boats, Boating	As enacted, removes the monitoring requirement for boating safety examinations; replaces statutory fees for boating safety certificates and replacement cards with authorization for TWRA to set such fees.	SB0561
528	Bond Issues	As enacted, authorizes the state to issue and sell bonds.	HB1407

Chapter Number	Subject	Abstract	Bill Number
395	Bonding, Surety and Professional	As enacted, authorizes the surety on a bail bond to petition the court for release from their obligations as surety if the principal forfeits.	SB1202
491	Bonding, Surety and Professional	As enacted, makes revisions to law relative to bondsmen.	HB0576
529	Budget Procedures	As enacted, authorizes, in the fiscal year ending June 30, 2025, transfers from the Access Tennessee health insurance program fund, created or referenced in the Access Tennessee Act of 2006.	HB1408
97	Business and Commerce	As enacted, requires that, in order to resign an agency appointment, a registered agent file a certification with the secretary of state that the agent has mailed written notice of the agent's resignation, instead of a copy of the original statement of resignation, to the principal office of the entity employing the agent.	HB0499
415	Campaigns and Campaign Finance	As enacted, makes various changes to campaign finance laws and related laws.	SB0229
434	Campaigns and Campaign Finance	As enacted, revises present law to designate as a political campaign committee for purposes of reporting expenditures pursuant to campaign finance laws a corporation that uses corporate funds, moneys, or credits for communications expressly supporting or opposing the election or defeat of a clearly identified candidate or elected official, and such funds, moneys, or credits are not used with the cooperation or with the prior consent of, or in consultation with, or at the request of, or suggestion of, a candidate or elected official or any agent or authorized committee of the candidate or elected official.	SB0621
506	Campaigns and Campaign Finance	As enacted, prohibits political campaign committees formed to support or oppose a measure from receiving, soliciting, or accepting contributions or expenditures from a foreign national; requires such political campaign committees and persons making independent expenditures supporting or opposing a measure to file certain disclosures regarding funding sources with the registry of election finance.	HB0888
119	Cemeteries	As enacted, changes the way that the fair market value of an improvement care trust fund is calculated for certain purposes; clarifies that the fee that a cemetery company charges for the memorial care of a commodity installed in the cemetery cannot exceed the fee charged by the company for installation of the commodity; makes other changes related to cemeteries.	SB0715
111	Charitable Institutions	As enacted, establishes a five-day period after the effective date of this act during which a nonprofit organization may apply to operate a charitable gaming event during the annual period beginning July 1, 2025, until June 30, 2026.	SB0941
169	Charitable Solicitations	As enacted, clarifies, by removing certain language, that a professional solicitor includes servants or employees specially employed by or for a charitable organization who are engaged in the solicitation of contributions.	SB0454

Chapter Number	Subject	Abstract	Bill Number
248	Charitable Solicitations	As enacted, revises notification requirements regarding the provision to the secretary of state of solicitation materials to be used by a professional solicitor on behalf of a nonprofit organization.	SB0453
251	Charitable Solicitations	As enacted, corrects a reference in the charitable solicitations law that requires educational institutions be approved as such by the Tennessee public charter school commission rather than the state board of education to be exempt from registration requirements.	SB0563
398	Child Abuse	As enacted, expands the definition of child abuse to include a person under the age of 18 witnessing either the abuse of another child in the person's immediate family or household or domestic abuse of a member of the person's immediate family or household; specifies that reunification between a parent and a child placed in foster care due to abuse must not occur unless the parent has complied with the parent's statement of responsibilities in the permanency plan and the child has received mental health counseling.	SB1241
321	Child Custody and Support	As enacted, requires the court to consider any failure to pay child support, rather than failure for a period of three years or more, when making a child custody determination; clarifies that the court may preclude or limit any provisions of a parenting plan if the court finds that a parent has failed to pay child support.	SB0540
80	Children	As enacted, removes the requirement that grants under the child care improvement pilot program be provided explicitly to nonprofit organizations in order to establish or make improvements to a child care agency.	HB0105
109	Children	As enacted, requires on or before June 30, 2026, and each June 30 thereafter, the council on children's mental health care to submit a report to certain officials regarding the status of the statewide system of care for children's mental health and the service delivery system and the status of children's mental health in this state.	HB1169
276	Children	As enacted, allows a child care agency to lease or purchase underutilized property from local education agencies; classifies a child care family home as residential property for certain purposes, including zoning and building codes; permits a host-school's fire inspection and facilities to be sufficient for a child care agency's provisional license under the department of human services.	SB1379
322	Children	As enacted, clarifies that the economic disadvantage of a parent or guardian alone is not a ground for termination of parental rights; clarifies that, for purposes of laws relative to juvenile courts and proceedings, "neglect" does not exist solely on the basis of economic disadvantage.	SB0560
347	Children	As enacted, makes various changes and additions to the Families' Rights and Responsibilities Act, and to present law concerning parental consent for the treatment of minors.	HB0826
368	Children	As enacted, enacts the "Tennessee Protection of Children Against Sexual Exploitation Act."	SB0535
390	Children	As enacted, specifies that a biological father or alleged biological father who makes token financial support to or for the benefit of a child or the child's mother during the pregnancy or when the mother had physical custody of the child is not a putative father; makes various other changes regarding final orders of adoption.	SB1052

Chapter Number	Subject	Abstract	Bill Number
397	Children	As enacted, enacts the "End Childhood Hunger Act."	SB1239
420	Children	As enacted, increases the age of an infant from 14 days or younger to 45 days or younger, who can be received by a facility without the mother being subject to criminal liability.	SB0262
281	Children and Youth, Commission on	As enacted, creates the Tennessee juvenile justice review commission to review an appropriate sampling of juvenile justice cases and any critical incidents involving juveniles in order to provide the general assembly with findings and legislative recommendations.	HB0501
265	Civil Procedure	As enacted, requires, in a child custody order, the court to include written findings of fact as to whether the limitations in present law relative to restrictions in temporary or permanent parenting plans apply; makes other changes relative to child court proceedings; clarifies, for purposes of domestic abuse law, that "abuse" includes acts inflicted directly by the offending party or indirectly through a third party, including, but not limited to, a family member, friend, significant other, or coworker, on behalf of the offending party.	SB0943
486	Clerks, Court	As enacted, revises present law concerning court clerks' fees.	HB0487
149	Codes	As enacted, clarifies that, as of July 1, 2025, the roof solar reflectance and thermal emittance requirements of the International Energy Conservation Code for low-sloped roofs do not apply to the 2021 International Code Council adoption; authorizes the state fire marshal to promulgate rules to that effect.	HB0801
505	Commerce and Insurance, Dept. of	As enacted, revises law relative to the treatment and coverage of treatment for stage 4 advanced metastatic cancer, blood cancer, metastatic blood cancer, and associated conditions; makes related changes.	HB0858
94	Computers and Electronic Processing	As enacted, requires each department, agency, office, commission, institution, or instrumentality of the executive branch to accept electronic transmissions; defines the meaning of electronic transmission as applicable to this state's code; removes the terms "fax" or "facsimile" in certain statutes and replaces the terms with electronic transmission.	HB0321
20	Consumer Protection	As enacted, prohibits persons from selling, offering for sale, or offering a free sample of counterfeit lighters and unsafe lighters.	SB0512
154	Consumer Protection	As enacted, prohibits a provider of certain services from billing a consumer for an extra billing cycle if the consumer terminates the contract or agreement for services within the first half of a billing cycle; designates a violation as an unfair or deceptive act or practice affecting trade or commerce in violation of the Consumer Protection Act of 1977.	SB0041
177	Consumer Protection	As enacted, add as unlawful under the Consumer Protection Act of 1977, the making of false statements or misrepresentations of fact to a consumer to indicate or imply that the consumer is a party to a civil lawsuit or a defendant in a criminal prosecution in order to induce the consumer to pay for services related to the purported lawsuit or prosecution or to pay costs, fines, penalties, or other assessments related to the purported lawsuit or prosecution.	SB0816

<b>Chapter Number</b>	<b>Subject</b>	<b>Abstract</b>	<b>Bill Number</b>
201	Consumer Protection	As enacted, revises one of the definitions of a "nonprofit organization" for purposes of the Tennessee Information Protection Act to mean a public utility organized or regulated, instead of only organized, under the laws of this state.	HB0911
287	Consumer Protection	As enacted, enacts the "Debt Resolution Services Act."	HB0743
175	Contractors	As enacted, encourages licensed contractors and subcontractors who enter into state construction contracts to employ apprentices from certified and registered apprenticeship programs.	SB0776
455	Cooperatives	As enacted, specifies that the privilege tax exemption for subsidiaries of agricultural cooperatives applies without regard to whether the subsidiary was formed as a corporation, limited liability company, limited liability partnership, or other legal entity, association, or body vested with the power or function of a legal entity.	SB1002
351	Correction, Dept. of	As enacted, requires the department to study the issues associated with constructing and operating a reentry facility that would house eligible inmates who are working toward return from incarceration into the community.	HB1090
436	Correction, Dept. of	As enacted, requires the department to pay from existing budgeted funds a monthly amount to a department employee for the medical care of a retired canine that served the department if the canine is given to the care and custody of the employee.	SB0652
460	Correction, Dept. of	As enacted, provides that in a facility operated pursuant to a contract to provide correctional services, or in a facility operated pursuant to a contract with a county to hold state inmates and that county has entered into a contract with a contractor to provide correctional services, if the death rate of inmates at the facility is twice the death rate of an equivalent state-operated facility, then the department must reduce the population at such facility by 10%.	SB1115
132	County Government	As enacted, authorizes certain county legislative bodies, by a two-thirds vote, to remove any member of an appointed board or commission, if such removal is recommended by the appointing authority and the member of the board or commission is given at least five business days' notice of the meeting when the vote on removal will occur.	HB0056
221	County Government	As enacted, declares that the offices of sheriff, register, county clerk, assessor of property, and trustee are the constitutional officers of a county that has adopted a charter form of government; specifies the duties for each constitutional officer.	SB0274
250	County Government	As enacted, authorizes a county that has adopted the County Sheriff's Civil Service Act of 1974 to rescind such adoption by a two-thirds vote of the county legislative body.	SB0532
381	County Government	As enacted, authorizes a county that has adopted the County Purchasing Law of 1957 to require a competitive bid process for insurance brokerage services.	SB0848

Chapter Number	Subject	Abstract	Bill Number
516	County Officers	As enacted, revises present law relative to constables.	HB1128
487	Courts	As enacted, prohibits the disqualification or removal of a municipal judge who was duly elected or appointed to office prior to March 7, 2025, and who is qualified for such office under the laws and interpretations in effect at the time of such election or appointment, due to a residency requirement during the term of office to which the municipal judge was elected or appointed.	HB0490
179	Courts, Juvenile	As enacted, requires the administrative office of the courts to maintain a criminal justice information services compliant centralized statewide juvenile case management system; requires all juvenile court clerks to adopt and convert to the new juvenile case management system on a schedule to be determined in consultation with the administrative office of the courts; makes related changes.	SB0992
254	Courts, Juvenile	As enacted, requires a juvenile court conducting a child custody, detention, or adjudicatory proceeding to conduct the proceeding in a dedicated courtroom provided by the county that is closest in proximity to an approved detention center.	SB0718
459	Courts, Municipal	As enacted, increases from \$1.00 to \$2.00 the amount of funds from the court costs collected in municipal court cases that must be forwarded by the municipal court clerk to the state treasurer for deposit and credited to the account for the administrative office of the courts for the sole purpose of defraying the administrative director's expenses in providing training and continuing education courses for municipal court judges and municipal court clerks.	SB1089
62	Criminal Offenses	As enacted, enacts the "Voyeurism Victims Act."	SB0335
77	Criminal Offenses	As enacted, establishes mandatory minimum penalties of 48 hours in jail and a \$500 fine for a person convicted of knowingly selling or distributing a product containing a hemp-derived cannabinoid to a person who is under 21; prohibits a retailer from knowingly allowing an employee younger than 21 to access, handle, or sell any product containing a hemp-derived cannabinoid on the premises of the retail establishment.	HB0072
84	Criminal Offenses	As enacted, creates the offense of intentionally impeding or obstructing a member of the division of protective services from ingress to, egress from, or movement about a location where the member is responsible for a person protected by the division of protective services; creates the offense of intentionally refusing to vacate an area where access has been restricted by a member of the division of protective services for the purpose of maintaining the safety or security of the person being protected.	HB0120
88	Criminal Offenses	As enacted, creates a Class B misdemeanor for knowingly activating and pointing a laser pointer or other device utilizing a laser beam at a person driving an automobile, boat, aircraft, or any other motor vehicle.	HB0191

Chapter Number	Subject	Abstract	Bill Number
89	Criminal Offenses	As enacted, expands the offense of organized retail crime to include certain acts, including knowingly using an online marketplace or social media platform to coordinate a meeting with one or more persons to sell, barter, or trade stolen merchandise for monetary or other gain; increases the punishment for the offense under certain circumstances.	HB0207
117	Criminal Offenses	As enacted, creates the Class B misdemeanor offenses of criminal impersonation of a transportation network company driver and criminal impersonation of a private passenger-for-hire vehicle driver.	SB0704
128	Criminal Offenses	As enacted, makes permanent the exclusion of narcotic testing equipment used to determine whether a controlled substance contains a synthetic opioid, unless the narcotic testing equipment is possessed for purposes of the commission of a drug offense, from the definition of drug paraphernalia; removes the July 1, 2025, repeal date for that exclusion.	SB1290
211	Criminal Offenses	As enacted, adds the offense of robbery to the definition of crime of violence.	SB0456
257	Criminal Offenses	As enacted, creates a criminal offense of possessing, distributing, or producing technology, software, or digital tools designed for the purpose of creating material that includes a minor engaged in sexual activity or simulated sexual activity that is patently offensive; establishes relevant factors to be considered in determining whether artificial technology, software, or digital tools are used or possessed with intent to create material that includes a minor engaged in sexual activity or simulated sexual activity that is patently offensive.	SB0741
264	Criminal Offenses	As enacted, expands the definition of "racketeering activity" to include committing, conspiring to commit, aiding, attempting to aid, soliciting, coercing, facilitating, or intimidating another person to commit the criminal offense of animal fighting.	SB0916
352	Criminal Offenses	As enacted, revises provisions of present law relative to placing certain defendants on a fugitives list for failure to appear.	HB1256
374	Criminal Offenses	As enacted, adds organized retail crime and possession or employment of a firearm during the commission of or attempt to commit a dangerous felony to the definition of racketeering activity; clarifies that carjacking is racketeering activity.	SB0657
403	Criminal Offenses	As enacted, revises preset law concerning driving under the influence.	SB1400
405	Criminal Offenses	As enacted, removes a definition of "content harmful to minors" from the Protect Tennessee Minors Act.	SB0448
408	Criminal Offenses	As enacted, expands the criminal offense of harassment to include harassment that occurs by communicating in the physical presence of the victim, in addition to in writing, by telephone, or electronically.	SB0028

Chapter Number	Subject	Abstract	Bill Number
409	Criminal Offenses	As enacted, creates new misdemeanor offenses, including intentionally giving a false or fictitious name to a law enforcement officer who has lawfully detained or arrested such person.	SB0030
424	Criminal Offenses	As enacted, creates the offense of human smuggling; makes related changes.	SB0392
430	Criminal Offenses	As enacted, decreases from 0.20 to 0.15 percent the minimum weight of alcohol concentration in a defendant's blood or breath as an element of the offense of aggravated vehicular assault and in a defendant's blood as an element of the offense of aggravated vehicular homicide.	SB0457
432	Criminal Offenses	As enacted, clarifies that a person commits the offense of unlawful exposure by distributing a private, intimate image of another identifiable person with intent to cause emotional distress, regardless of whether the person who distributes the image was a party to the original agreement or understanding that the image would remain private.	SB0586
439	Criminal Offenses	As enacted, makes the offense of possession of a used, detached catalytic converter by an unauthorized person punishable by a term of imprisonment not greater than 11 months, 29 days; a fine not to exceed \$2,500; or both, instead of only subject to a fine.	SB0769
462	Criminal Offenses	As enacted, makes various changes to present law concerning criminal justice.	SB1233
466	Criminal Offenses	As enacted, creates a civil and criminal action for individuals who are the subject of an intimate digital depiction that is intentionally disclosed without the individual's consent under certain circumstances.	SB1346
468	Criminal Offenses	As enacted, creates an offense for a person who harms or threatens to harm an individual involved in the judicial process or a family member of such person with the intent to impede, intimidate, interfere with, or retaliate against the justice system participant in connection with their participation in the judicial process, punishable as a Class E felony.	SB1399
472	Criminal Offenses	As enacted, increases the penalty from a Class A misdemeanor to a Class E felony for a person who commits child abuse by knowingly treating a child between 9 and 17 in such a manner as to inflict injury.	HB0045
474	Criminal Offenses	As enacted, revises present law relative to unlawful photography.	HB0099
492	Criminal Offenses	As enacted, adds certain criminal offenses to the list of dangerous felonies for purposes of the offense of possessing a firearm or antique firearm during commission or attempt to commit a dangerous felony.	HB0578
499	Criminal Offenses	As enacted, creates the offense of knowingly engaging in conduct that places a child in imminent danger of death, bodily injury, or physical or mental impairment by exposing the child to fentanyl, carfentanil, remifentanil, alfentanil, thiafentanil, or a fentanyl derivative or analogue; punishes the offense as a Class E felony if the child is over 8 and as a Class B felony if the child is 8 or less.	HB0751

Chapter Number	Subject	Abstract	Bill Number
511	Criminal Offenses	As enacted, requires the department of mental health and substance abuse services to establish a mental health evaluation process for a community mental health center or qualified mental health professional to evaluate a defendant convicted of domestic assault, child abuse, aggravated child abuse, cruelty to animals, aggravated cruelty to animals; requires a court in which a person is convicted of any such offense to order the offender to undergo a mental health evaluation prior to the sentencing hearing.	HB1089
522	Criminal Offenses	As enacted, creates the criminal offense of threatening to commit an act of mass violence; creates the criminal offense of posting on a publicly accessible website the telephone number or home address of an individual with the intent to cause harm or a threat of harm to the individual or a member of the individual's family or household.	HB1314
298	Criminal Procedure	As enacted, revises the procedure for restoration of rights of citizenship.	SB0407
354	Criminal Procedure	As enacted, establishes a permanent criminal proceedings notification system, rather than a pilot project; removes the July 1, 2025, termination date for the criminal proceedings notification system.	HB1328
369	Criminal Procedure	As enacted, requires the clerk of every court having jurisdiction of criminal offenses to include a \$12.50 charge in every cost bill, to be remitted to the county government to provide support services for the purpose of promoting public safety at the sole discretion of the district attorney general; takes effect upon two-thirds vote of the county legislative body; requires a district attorney general receiving funding to submit an annual report.	SB0547
519	Criminal Procedure	As enacted, increases from 11 months and 29 days to two years from the date of arrest the time within which misdemeanor charges against a defendant who has been found incompetent must be retired unless the defendant is restored to competency; adds to present law that, when a defendant whose misdemeanor charges were retired due to a finding of incompetency is released into the community, the chief officer is required to notify the court of the defendant's discharge and provide the court and the sheriff with an outpatient treatment plan that accounts for the safety of the community.	HB1177
116	Death	As enacted, removes the limitation that a death must have been anticipated for a registered nurse to make the actual determination and pronouncement of death if a deceased was a patient or resident at a nursing home, hospital, or assisted-care living facility.	SB0668
182	Disability and Aging, Dept. Of	As enacted, directs the commissioner and the director of TennCare to develop guidelines for service providers for hiring qualified family members as a family care giver; specifies that the department and the bureau of TennCare shall not prohibit qualified individuals from employment as a family care giver at a service provider agency based on certain listed criteria.	SB1178

Chapter Number	Subject	Abstract	Bill Number
303	Disabled Persons	As enacted, authorizes a residential facility for persons with disabilities to operate in the eastern grand division of this state under an existing residential pilot program authorizing such facilities to operate in the western and middle grand divisions of this state that is administered by the department of disability and aging.	SB0110
312	District Attorneys	As enacted, expands the proceedings for which a district attorney general pro tem may be appointed to include certain civil proceedings; declares meetings of the district attorneys general conference to be open meetings except for meetings related to certain matters; specifies that the executive director of the district attorneys general conference must provide legal counsel and advice to district attorneys general and their staff and that the legal counsel and advice may be provided by attorneys employed with the district attorneys general conference.	SB0245
373	District Attorneys	As enacted, authorizes a district attorney general, on the consent of the district attorney general of any other judicial district, to specially appoint another district attorney general, or an assistant to that district attorney general, to conduct specific proceedings under title 8, chapter 47, regarding removal of officers, which the district attorney general is authorized by law to conduct in that district.	SB0655
63	DNA and Genetic Testing	As enacted, requires collection of a biological specimen from certain convicted offenders to be collected within 30 days of sentencing to be used for DNA analysis; requires a law enforcement agency to submit a biological specimen from an offender who dies while incarcerated and was previously convicted of a qualifying offense.	SB0371
142	Driver Licenses	As enacted, deletes requirement that certified copy of court order that withdraws order denying driving privileges for juvenile offender be submitted to the department of safety within 10 days of issuance.	HB0425
148	Driver Licenses	As enacted, authorizes an honorably discharged member of the national guard to receive "veteran" designation on driver license; specifies documentation that must be provided to receive such designation.	HB0790
288	Driver Licenses	As enacted, creates the Class B misdemeanor offense of operating a motor vehicle in this state with an invalid driver license; designates out-of-state driver licenses issued exclusively to illegal aliens as invalid driver licenses in this state.	HB0749
297	Driver Licenses	As enacted, prohibits the use of digital driver licenses and digital photo identification licenses for voter identification purposes; regulates the use, retention, and disclosure of data submitted by persons participating in the digital driver license system, including biometric identifiers; prohibits geolocation data from being collected for purposes of the digital driver license system; revises other provisions related to driver licenses.	HB1316
469	Driver Licenses	As enacted, requires written examinations administered to applicants for a driver license or intermediate driver license to include questions concerning hand signals used by operators of bicycles to communicate turning, slowing, and stopping.	SB1420

Chapter Number	Subject	Abstract	Bill Number
504	Driver Licenses	As enacted, limits to four the number of points that may be assessed to a person's driver record for the offense of operating a motor vehicle while the person's driving privilege is canceled, suspended, or revoked.	HB0816
108	Drugs, Prescription	As enacted, enacts the "Restore Trust in Public Health Messaging Act."	HB1157
206	Drugs, Prescription	As enacted, adds mandating the use of biosimilar drugs as a cost-saving measure the bureau of TennCare may implement; adds that a health carrier, health benefit plan, or utilization review organization may require a patient to try a biosimilar product prior to providing coverage for the equivalent branded prescription drug; requires the TennCare pharmacy advisory committee to consider as a factor the use of biosimilar drugs in the committee's recommendation to the bureau of TennCare on any drugs to be added to the state preferred drug list.	HB1198
272	Drugs, Prescription	As enacted, requires a county medical examiner to test for, and obtain certain information concerning, the presence of any drugs in a decedent in certain situations; requires the health science center to conduct certain studies regarding drug interactions and submit quarterly reports to the general assembly.	SB1146
346	Drugs, Prescription	As enacted, authorizes a healthcare practitioner to prescribe and a pharmacist to dispense a prescribed, bronchodilator rescue inhaler to an authorized entity to be administered to a person believed to be experiencing asthma symptoms or respiratory distress in an emergency situation, under a standing protocol from the healthcare practitioner; encourages schools in LEAs and public charter schools to keep bronchodilator rescue inhalers to be administered to students believed to be having asthma symptoms or in respiratory distress in an emergency situation.	HB0760
184	DUI Offenses	As enacted, requires an ignition interlock provider to permit a person to appear for calibration, monitoring, or inspection of the device at any time within a two-week period; authorizes a court to order reinstatement of a person's driver license if the person has no other revocations or suspensions on the person's driving record and the person's only noncompliance with ignition interlock requirements has been with regard to the required calibration, monitoring, or inspection of the ignition interlock device; makes various other changes in regard to ignition interlock devices and the ignition interlock usage period.	SB1299
269	DUI Offenses	As enacted, requires the state treasurer to deem a person ordered by a court to use a functioning ignition interlock device to be indigent and unable to pay the costs of the device if the person receives funds from the supplemental nutrition assistance, temporary assistance for needy families, or state medicaid program; removes the requirement that a court determine whether a person asserting inability to pay for a functioning ignition interlock device is indigent; revises other provisions relative to the electronic monitoring indigency fund.	SB1097

Chapter Number	Subject	Abstract	Bill Number
327	DUI Offenses	As enacted, requires the Tennessee bureau of investigation to provide a report to the speakers of the senate and the house of representatives on or before January 1 each year, until July 1, 2029, detailing the instances in the most recent year for which complete data is available in which a person who was arrested for driving under the influence but where no alcohol or other intoxicants are detected in the person's blood or breath.	SB1166
451	DUI Offenses	As enacted, creates a distance to drive program study committee to help determine the feasibility of implementing a distance to drive program that would facilitate reinstatement of suspended and revoked driver licenses for criminal defendants based on meeting the objectives set by the court and completing all the requirements set by the department of safety.	SB0932
151	Economic and Community Development	As enacted, prohibits an employer seeking to receive an economic development incentive from the state from entering into a community benefits agreement or similar legal contract if the agreement or contract imposes obligations or conditions on the employer regarding employment practices, benefits, or operations that are not directly related to the performance of the employer's duties under the economic development incentive.	HB1096
353	Economic and Community Development	As enacted, clarifies that certain definitions concerning housing facilities and developments with regard to industrial development corporations include affordable and workforce housing; authorizes a municipality or county to approve amendments to an economic impact plan when approving the plan.	HB1306
501	Economic and Community Development, Dept. of	As enacted, requires the department to revise and certify the population of each county and municipality, and the aggregate population of the state, prior to July 1 each year during the interim between the regular decennial federal census to ensure equitable allocation and distribution of the local share of revenue; requires the Boyd Center for Business and Economic Research at the University of Tennessee, through the Tennessee state data center, to generate annual population estimates for each county and municipality and provide the estimates to the department for review and certification.	HB0780
21	Education	As enacted, reduces the number and frequency of certain reports the comptroller of the treasury is required to submit to the state board of education and to the chairs of the education committees of the senate and house of representatives regarding the Tennessee Literacy Success Act.	SB0208
95	Education	As enacted, authorizes a local education agency to implement the law enforcement against drugs and violence (L.E.A.D.) program in schools operated by the LEA; authorizes an LEA's implementation of the L.E.A.D. program to be in lieu of the DARE program.	HB0382
133	Education	As enacted, specifies that in an educational neglect case a subpoena may be issued for a student's attendance record, including all previous school years that the student attended a public school, in accordance with relevant privacy laws.	HB0061

Chapter Number	Subject	Abstract	Bill Number
134	Education	As enacted, requires all residential educational programs in this state that allow minors to participate or to access residential facilities, including staying overnight in such facilities, to segregate certain restrooms, changing areas, and showers by immutable biological sex.	HB0064
192	Education	As enacted, requires the department to establish enrollment deadlines for voluntary pre-kindergarten programs so that at-risk students who will be four years old by August 15 must be enrolled by the beginning of the school year and students who are four-year-olds who do not have a disability or who meet the qualifications for enrollment at three years of age must be enrolled by August 30.	HB0623
219	Education	As enacted, prohibits the department of education from excluding from the calculation of a school letter grade the data of any group of students within a school if the department collects, aggregates, and reports the data, and if the group of students has at least 20 valid test scores in math or English language arts for at least one grade band; and data for the college and career readiness indicator if the school has at least 20 students in a graduating cohort.	SB0196
234	Education	As enacted, requires the Tennessee higher education commission (THEC), to serve as the governing board of directors for the Tennessee student assistance corporation (TSAC); requires THEC's review committee to aid in the development or revision of state financial aid; terminates the Tennessee teaching scholars program; terminates the minority teaching fellows program.	SB0689
235	Education	As enacted, makes various changes to reporting requirements, school and district accountability, the accumulation of excess instructional time, remote instruction, the immunization status of students in state custody, the individualized education account program, public virtual school enrollment, and certain course access program requirements imposed on the department of education.	SB1272
267	Education	As enacted, authorizes a state university board of trustees to conduct private meetings to discuss or deliberate on matters related to senior administration, personnel positions, and contracts, without taking action on such matters in a private meeting.	SB1024
270	Education	As enacted, prohibits a local board of education or public charter school governing body from removing a material from a library collection for the sole reason that the material is religious.	SB1112
277	Education	As enacted, requires a school support organization and a group or organization that collects and raises money, materials, property, or securities while representing itself to be a school support organization to annually provide a detailed report of the organization's receipts and expenditures while representing itself to be a school support organization to the department of education by July 1 each year, unless the school support organization is a booster club, parent teacher association, parent teacher organization, or parent teacher support association; requires the department to publish the reports on the department's website for at least three years from the date on which the report was submitted.	SB1417

Chapter Number	Subject	Abstract	Bill Number
284	Education	As enacted, requires that certain employees of state special schools receive the same leave and certain other benefits as employees of LEAs and public charter schools.	HB0676
293	Education	As enacted, prohibits discrimination on the basis of race, ethnicity, national origin, sex, or religion against a student or an employee in a public institution of education; requires public institutions of education to treat harassment or discrimination against students or employees, or resulting from institutional policies or programs on their campuses, motivated by or including antisemitic intent in an identical manner to discrimination motivated by race; requires Title VI coordinators to be designated to monitor antisemitic discrimination and harassment at K-12 schools and institutions of higher education.	HB1188
330	Education	As enacted, requires each local board of education and public charter school governing body to develop and implement a policy to provide, with each K-8 student's report card, the student's score on the universal reading screener if administered to the student in the current school year, and the results of the dyslexia screener most recently administered to the student, if applicable.	SB1423
377	Education	As enacted, requires each public senior high school to provide official recruiting representatives of the armed forces of this state and the United States access to the high school at least once a month during student lunch periods for the purpose of informing students of educational and career opportunities available in the military and at least once every other month when school is in session to provide further information to students who have expressed interest; provides additional related access.	SB0713
385	Education	As enacted, requires, if an approved universal reading screener is administered to pre-k students at an LEA or public charter school, the LEA or public charter school to allow the pre-k teacher whose students were administered the screener to use the results as an approved alternative student growth model or the pre-k/kindergarten portfolio growth model to generate individual growth scores for teachers pursuant to the evaluation guidelines developed by the department of education.	SB1003
401	Education	As enacted, prohibits excusing a student from school to attend a released time course in religious moral instruction during the school year unless certain criteria is met.	SB1332
426	Education	As enacted, creates an advisory committee on innovations in K-12 education.	SB0415
433	Education	As enacted, requires the department of education to develop guidelines and criteria for determining how long a student must have been present in a teacher's classroom before the student's record is attributable to the teacher for purposes of evaluating the teacher; authorizes an LEA or public charter school to compensate the estate of a teacher who, on the teacher's death, was in the employ of the LEA or public charter school for the teacher's unused and accrued annual and sick leave in the same manner that the estates of deceased state employees are compensated under present law.	SB0602

<b>Chapter Number</b>	<b>Subject</b>	<b>Abstract</b>	<b>Bill Number</b>
448	Education	As enacted, changes the standard for entry-resistant window treatment for school buildings constructed or remodeled on or after July 1, 2025; requires the state-level school safety team to issue guidelines to the state fire marshal for inclusion in rules.	SB0899
453	Education	As enacted, prohibits a public school, LEA, or teacher, employee, or contractor of a public school or LEA from requiring a student, teacher, employee, or contractor of the public school or LEA to provide the individual's preferred pronouns; makes related revisions.	SB0937
454	Education	As enacted, creates a federal education deregulation cooperation task force to prepare Tennessee for the potential of deregulation of federal laws, regulations, requirements, and guidance for K-12 education.	SB0950
484	Education	As enacted, authorizes local education agencies and public charter schools to provide up to four days of the required 180 days of classroom instruction via hybrid learning in the event of dangerous or extreme weather conditions, or an emergency, as determined by the director of schools or the director of public charter schools.	HB0485
164	Education, Curriculum	As enacted, adds instruction for public high school students on this state's safe haven law to the required components of a family life curriculum.	SB0319
195	Education, Curriculum	As enacted, enacts the "Teen Social Media and Internet Safety Act."	HB0825
224	Education, Curriculum	As enacted, establishes that family life curriculum must include age-appropriate instruction and evidence regarding the positive personal and societal outcomes associated with the method by which a person completes the following in sequential order: obtains a high school diploma or high school equivalency credential; enters into the workforce or pursues a postsecondary degree or credential; enters into marriage; and has children.	SB0471
314	Education, Curriculum	As enacted, makes various changes to the approval process and notice requirements for nonsectarian, nonreligious Bible courses; clarifies that public charter schools are authorized to provide nonsectarian, nonreligious Bible courses in the same manner as local education agencies.	SB0298
427	Education, Curriculum	As enacted, requires the state textbook and instructional materials quality commission, in consultation with the department of education, to develop a plan for the commission to review and submit to the state board of education for approval of electronic textbooks and instructional materials for use by virtual schools established by LEAs.	SB0416
305	Education, Dept. of	As enacted, enacts the "The Learning Pod Protection Act."	SB0134

Chapter Number	Subject	Abstract	Bill Number
325	Education, Dept. of	As enacted, requires the department to conduct a landscape analysis of teacher evaluation practices in this state and other states; requires the department to convene a teacher evaluation advisory committee to review and evaluate current teacher evaluation practices in this state; requires the department and the state board to provide the education committee of the senate and committee of the house of representatives having jurisdiction over teacher evaluations a final report on the landscape analysis, teacher evaluation advisory committee's recommendations, and any department or state board recommendations by January 31, 2026.	SB0870
419	Education, Dept. of	As enacted, requires the department to convene a working group to study and develop best practices, strategies, and programming for English language learner (EL) educators in this state to utilize in educating EL students enrolled in a public school in this state in any of the grades K-12.	SB0246
456	Education, Dept. of	As enacted, requires the department to allocate the state share of the Tennessee investment in student achievement formula funds generated by student members of a public charter school in the prior school year directly to the public charter school instead of allocating such funds to the local education agency in which the public charter school is located.	SB1019
464	Education, Dept. of	As enacted, requires the department to implement a transition plan to close the achievement school district and to release all schools currently assigned to the ASD before the start of the 2026-2027 school year; requires the department to establish a different intervention system for priority schools; makes related changes.	SB1273
525	Education, Dept. of	As enacted, extends the school turnaround pilot program for priority schools administered by the department and that is scheduled to conclude at the end of the 2024-2025 school year to a permanent school turnaround program for priority schools; increases, from five to 15, the maximum number of priority schools that may participate in the school turnaround program.	HB1373
245	Education, Higher	As enacted, prohibits institutions of higher education from excluding a person from benefits, activities, and employment, or making decisions, based on a person's race, color, ethnicity, or national origin; requires such institutions to provide notice of such prohibitions; authorizes injunctive and declaratory relief for violations.	SB0376
467	Education, Higher	As enacted, authorizes, subject to appropriation, an institution of higher education to request to redirect the institution's capital outlay funds for purposes other than those set out in the 2022 appropriations act; makes related revisions.	SB1359
376	Education, State Board of	As enacted, expands the state board's power to subpoena the appearance of persons or the production of items the chair of the state board, or the chair's designee, considers material or relevant to an accountability hearing for a local education agency operating a public school, or a public charter school, receiving a "D" or "F" letter grade.	SB0688

Chapter Number	Subject	Abstract	Bill Number
187	Election Laws	As enacted, defines "district," for purposes of municipal elections, to mean a district, region, precinct, sector, territory, ward, or other geographical area prescribed for the purposes of nominating and electing candidates.	HB0023
249	Election Laws	As enacted, requires a three-judge panel to hear any civil action in which it is alleged that a proposed charter amendment ordinance that is to be submitted to qualified voters at an election is in violation of the Constitution or state law; prohibits an amendment to the charter of a home rule municipality from being placed on any ballot if the amendment is in violation of the Constitution or state law.	SB0525
259	Election Laws	As enacted, generally requires statewide political parties to nominate their candidates in primary elections for all offices for which partisan elections are held at the regular August or regular November election; authorizes, in a county in which a statewide political party nominated a candidate by a method other than a primary election in 2022 or 2024, the statewide political party in such county to continue to use such method with certain exceptions.	SB0799
350	Election Laws	As enacted, revises the definition of "contribution," for purposes of financial disclosures under the state's campaign finance laws, to include an activity done independently of or in coordination with a candidate, candidate's political campaign committee, or agent, related to the development, production, and use of canvassing literature and scripts to be used in a door-knocking campaign for a candidate's election.	HB1073
371	Election Laws	As enacted, revises present law relative to voting and county election commissions, such as requiring the commission to publish a notice of the location of the provisional counting board, prohibiting the commission from tabulating any marked ballots submitted via the internet, prohibiting voting machines from being connected to the internet, and making other changes.	SB0626
384	Election Laws	As enacted, authorizes Hamblen County to participate in the convenience voting center pilot project.	SB0981
394	Election Laws	As enacted, requires the coordinator of elections to include, in the coordinator's minimum standards for educating election officials, training on temporary forms of identification issued to non-United States citizens that may not be used as evidence of identification on an application for ballot.	SB1143
473	Election Laws	As enacted, requires the coordinator of elections, in collaboration with the department of safety, prior to January 1, 2028, to create a secure, electronic portal through which each county administrator of elections may access information to verify, prior to processing an applicant's application to register to vote, whether the applicant is a United States citizen based upon records on file at the time of issuance of the most recent driver license or identification card or other credential from the department of safety; makes related changes.	HB0069
106	Emergency Communications Districts	As enacted, authorizes a motor vehicle operated by an emergency communications district that is marked as a mobile command vehicle or mobile communications vehicle to display flashing red or white lights or a combination of flashing red and white lights.	HB1118

Chapter Number	Subject	Abstract	Bill Number
205	Energy	As enacted, clarifies that a political subdivision that imposes requirements or expectations related to the type of clean or green, or renewable, energy used by a public utility in an ordinance, resolution, or other regulation must include certain sources of energy as permissible sources of clean or green, or renewable, energy, regardless of whether the political subdivision classifies the requirements or expectations as relating to clean or green, or renewable, energy.	HB1143
208	Environment and Conservation, Department of	As enacted, requires an agreement or contract entered into between the commissioner and a county health department for the department to implement subsurface sewage disposal requirements to include authority for the commissioner to issue a variance in certain circumstances.	SB0113
399	Environment and Conservation, Department of	As enacted, makes various changes related to fees set by the department for environmental regulatory programs; makes changes to the regulation of coal combustion residuals disposal units.	SB1274
194	Estates	As enacted, removes the cap on the amount of wages or other compensation owed a deceased employee at the time of the employee's death that an employer shall pay directly to the surviving spouse of the decedent or, if there is no surviving spouse, to the surviving children of the decedent as tenants in common.	HB0755
162	Evidence	As enacted, permits the introduction into evidence of a video recording of a child victim being interviewed by a forensic interviewer regarding sexual or physically violent contact with the child if the forensic interviewer confirms the accuracy of the recording and the child is available for cross examination; makes other changes relative to forensic interviews.	SB0304
268	Expunction	As enacted, reorganizes present statutes concerning expunction and specify that facilitation, attempt, or solicitation of an offense that is presently eligible for expunction is also eligible for expunction.	SB1055
512	Federal Aid	As enacted, establishes a process for reviewing requests for federal aid.	HB1092
126	Financial Institutions, Dept. of	As enacted, authorizes the commissioner to determine the type, amounts, and other characteristics of deposit insurance required to be maintained by each state bank; describes criteria the commissioner must consider in making the determinations.	SB1279
83	Financial Responsibility Law	As enacted, requires the commissioner of revenue, instead of the commissioner of safety, to issue a certificate stating that a cash deposit or bond in the amount required by the Tennessee Financial Responsibility Law of 1977 has been paid or filed with the commissioner of revenue.	HB0119
315	Fire Prevention and Investigation	As enacted, changes present law concerning the frequency of fire drills in educational occupancies.	SB0346

Chapter Number	Subject	Abstract	Bill Number
513	Firearms and Ammunition	As enacted, expands the definition of "machine gun" to include any part, or combination of parts, designed and intended solely for use in converting a firearm into a machine gun; increases the classification for the intentional or knowing possession, manufacture, transport, repair, or sale of a machine gun from a Class E to a Class C felony; reclassifies certain other offenses involving the possession of firearm or handgun ammunition; makes a defendant ineligible for parole if convicted of aggravated assault that involved the use of a firearm from within a motor vehicle.	HB1093
422	Firefighters	As enacted, adds prostate cancer, breast cancer, and pancreatic cancer to the list of cancers for which a presumption is created that certain conditions or impairments of full-time firefighters caused by prostate cancer, breast cancer, pancreatic cancer, or other listed cancers arose out of employment unless the contrary is shown by competent medical evidence.	SB0288
400	Food and Food Products	As enacted, deletes present laws pertaining to rented premises unfit for habitation and quick fast food establishment delivery vehicles; removes the statutorily set permit fees to operate food service establishments and requires such permit fees to be set by rule; makes other revisions to present laws pertaining to food service and safety.	SB1282
431	Food and Food Products	As enacted, adds certain conditions in order to produce and sell homemade food items.	SB0484
450	Food and Food Products	As enacted, prohibits labeling a cell-cultured food product as meat or a meat food product.	SB0931
319	Forfeiture of Assets	As enacted, removes the requirement for a claimant to post a bond when filing a claim to seized property.	SB0481
333	Foster Care	As enacted, expands the provision of voluntary extended foster care services by the department of children's services to include young adults between 20 and 23 who were in the custody of the department at the time of the young adult's 18th birthday and young adults who were adopted from, or approved for subsidized permanent guardianship by, the department of children's services at 16 or older.	HB0103
387	Foster Care	As enacted, requires the department of children's services, to the extent not otherwise prohibited by state or federal law, to promulgate rules to implement certain rights for any foster child in the custody of the department or an agency that contracts with the department to place children in foster care.	SB1015
198	Funeral Directors and Embalmers	As enacted, authorizes a funeral director applicant who was not previously licensed in this state to substitute one year of apprenticeship with an associate degree from a college accredited by the American Board of Funeral Service Education or completion of a program of study in funeral service education.	HB0860
57	Game and Fish Laws	As enacted, extends the time within which the guardian for an adoptee who is less than 13 may apply for a lifetime sportsman license for adopted children from 36 months immediately following the adoption date to any time following the adoption that is prior to the adoptee's thirteenth birthday.	HB0752

Chapter Number	Subject	Abstract	Bill Number
220	Game and Fish Laws	As enacted, authorizes persons to wear daylight fluorescent pink as a substitute for daylight fluorescent orange when hunting big game during gun hunts; deletes statutory definition of daylight fluorescent orange.	SB0206
349	Game and Fish Laws	As enacted, increases the fee that county clerks and other agents are authorized to collect from purchases of hunting and fishing licenses from \$1.00 to \$3.00 for annual licenses and \$.50 to \$3.00 for temporary licenses.	HB1060
407	Game and Fish Laws	As enacted, increases the criminal classification for hunting on the land of another without permission from a Class C misdemeanor to a Class B misdemeanor, punishable by a fine only, not to exceed \$500 per violation.	SB0014
64	Gas, Petroleum Products, Volatile Oils	As enacted, changes the sponsoring entity for safety and handling training classes needed to satisfy the education requirement for a liquified petroleum gas dealer license from only the National Propane Gas Association to any state or national association representing the liquified petroleum industry.	SB0507
102	General Assembly, Directed Studies	As enacted, requires TACIR to study the economic impact that the cosmetology and barbering professions have in this state; upon completion of the study, requires TACIR to report its findings and recommendations, including any proposed legislation, to legislative committees having jurisdiction over cosmetology and barbering, and to provide a copy of the report to the legislative librarian.	HB0862
418	General Assembly, Directed Studies	As enacted, requires TACIR to study the availability of housing and other treatment facilities for juvenile offenders who have been adjudicated delinquent and committed to the department of children's services, and the availability of local juvenile detention centers and other facilities for the housing and treatment of juvenile offenders who have been detained by the juvenile court prior to an adjudicatory hearing; requires TACIR to report its findings and recommendations.	SB0239
445	General Assembly, Directed Studies	As enacted, directs TACIR to conduct a study and prepare a report on recommendations on the continuum of care in this state and how the continuum of care can be improved; requires the study and report to survey the continuum of care in other states and compare such care to the continuum of care in this state; requires TACIR to submit the report.	SB0871
153	Governor	As enacted, prohibits orders, proclamations, or rules issued by the governor under the governor's emergency management powers from contravening, suspending, or conflicting with a provision of the Tennessee Constitution; restricts governor's ability under such powers to suspend certain procedural provisions of a law, order, rule, or regulation.	SB0027
475	Governor	As enacted, authorizes, if the governor issues or extends an executive order or proclamation of a state of emergency, the general assembly to terminate such state of emergency by joint resolution of both houses.	HB0132

Chapter Number	Subject	Abstract	Bill Number
356	Handgun Permits	As enacted, clarifies that an applicant who has a DUI conviction that occurred within five years from the date of application or renewal is not eligible for an enhanced handgun carry permit; lowers the age for an applicant for an enhanced handgun carry permit from 21 to 18 if other eligibility requirements for issuance of the permit.	HB1332
45	Health Care	As enacted, enacts the "Individualized Investigational Treatment Act."	SB0282
100	Health Care	As enacted, allows a healthcare provider to petition a relevant board after completing a peer assistance or treatment program contract to remove information from the public-facing licensure verification website regarding the adverse action and the order by the relevant board after five years from the completion date of that program or contract indicated in such order; authorizes the division of health related boards to promulgate rules to effectuate such petition process.	HB0657
130	Health Care	As enacted, extends the CoverKids program from June 30, 2025, to June 30, 2030.	SB1305
144	Health Care	As enacted, creates the advisory task force on state reimbursement rates to make recommendations on annual adjustments to the reimbursement rates paid to agencies that perform healthcare functions and services, the purpose of which is to ensure such reimbursement rates are adequate.	HB0498
147	Health Care	As enacted, clarifies that an additional license for a collection station is not required, without regard to where specimens are transported, as long as the medical laboratory owner of the licensed medical laboratory retains ownership of the medical laboratory and oversight of the collection station.	HB0702
222	Health Care	As enacted, requires the board of nursing to develop a survey to collect certain information from nurse practitioners who have been issued a certificate of fitness from the board; requires the board to submit a report regarding the survey to legislative committees.	SB0332
247	Health Care	As enacted, enacts the "Fertility Treatment and Contraceptive Protection Act."	SB0449
263	Health Care	As enacted, adds that the governor's appointee for the health facilities commission who is a representative of the assisted-care living facility industry may be appointed from lists of qualified persons submitted by interested groups, including the Tennessee Center for Assisted Living; requires the commission to submit certain reports to the general assembly.	SB0882
266	Health Care	As enacted, enacts the "Medical Ethics Defense Act."	SB0955
447	Health Care	As enacted, revises present law relative to a patient's electronic health record and requires a health insurance entity to establish and maintain a provider access API and a prior authorization API; makes related changes.	SB0890
497	Health Care	As enacted, extends the termination date for the Alzheimer's and dementia respite care pilot program from December 31, 2025, to December 31, 2026.	HB0717
509	Health Care	As enacted, establishes licensure of anesthesiologist assistants; revises provisions authorizing hospitals to employ certain licensed physicians for certain medical services.	HB0979

Chapter Number	Subject	Abstract	Bill Number
99	Health, Dept. of	As enacted, requires all hospitals and birthing centers to provide information on post-birth warning signs, including symptoms and resources, to a mother and, if possible, to the mother's caregiver or at least one of the mother's family members prior to discharge following a birth; requires the department to provide all hospitals and birthing centers with information on post-birth warning signs, including symptoms and resources, and to have the information available on the department's website.	HB0572
261	Health, Dept. of	As enacted, requires the department to collaborate with an organization in this state to create or identify a continuing education program to provide healthcare professionals with information or training relative to maternal mental health disorders.	SB0849
412	Highway Signs	As enacted, requires the department of transportation to install signs or markers displaying language or an appropriate symbol indicating to motorists that a rest area or welcome center has a family restroom; requires the department to post on its website rest areas and welcome centers that have family restrooms.	SB0147
230	Highways, Roads and Bridges	As enacted, lifts certain restrictions on temporary borrow pits used to source material for a road work construction project performed in a FEMA-certified county under a contract for construction work entered into with the state that is part of a state or local Hurricane Helene recovery effort.	SB0915
309	Highways, Roads and Bridges	As enacted, makes revisions regarding the naming of certain roads and bridges.	SB0202
438	Highways, Roads and Bridges	As enacted, requires TACIR to study sustainable funding sources that meet this state's future transportation infrastructure needs and submit its recommendations.	SB0703
301	Historical Commission	As enacted, prohibits the commission, and any other state entity other than the state building commission engaged in the historic preservation of real property, from regulating the renovation, alteration, or demolition of improved public or private real property that is not listed on the Tennessee register of historic places, or taking any adverse action against the owner of such real property, if the real property meets certain criteria.	SB0007
389	Historical Sites and Preservation	As enacted, includes in the definition of a "memorial", for purposes of Tennessee heritage protection, an official governmental seal of a city or county government that contains imagery representative of any historic conflict, historic entity, historic event, historic figure, or historic organization.	SB1034
139	Holidays and Days of Special Observance	As enacted, designates the month of November as "Diabetes Awareness Month."	HB0363

Chapter Number	Subject	Abstract	Bill Number
366	Holidays and Days of Special Observance	As enacted, designates the month of June as "Celebration of Life" month, the month of July as "Celebration of Liberty" month, and the month of August as "Celebration of the Pursuit of Happiness" month in Tennessee.	SB0503
65	Hospitals and Health Care Facilities	As enacted, extends by four years to June 30, 2029, the current 125-bed limitation on the number of new nursing home beds for which the health facilities commission may issue a certificate of need per fiscal year.	SB0515
196	Hospitals and Health Care Facilities	As enacted, declares Perry County Community Hospital in Linden and Decatur County General Hospital in Parsons to be necessary providers for the purpose of critical access hospital designation eligibility in accordance with Section 1820 of the Social Security Act.	HB0843
339	Hospitals and Health Care Facilities	As enacted, rewrites the fee limits for a party requesting a patient's medical record in either paper or electronic format from a provider or the provider's third-party release of information provider.	HB0495
114	Housing	As enacted, deletes the definition of "blighted area" and defines "blighted property" for purposes of condemnation by housing authorities; clarifies that housing authorities may acquire real property without using eminent domain; authorizes housing authorities to pay more than fair market value for properties that are not blighted but that are in a blighted area; makes other related changes.	SB0480
382	Housing	As enacted, requires certain property, projects, and joint ventures to meet certain requirements if a legislative body of a county or municipality adopts by resolution or ordinance an affordable housing program.	SB0948
442	Housing	As enacted, authorizes any county having made loans in excess of the amount of funds in the initial capitalization of the loan fund pool for the county to terminate its participation in the homebuyers' revolving loan fund pool with notice to the Tennessee housing development agency (THDA) and to retain all funds, including any funds used for initial capitalization or interest earnings on repayments.	SB0857
503	Housing	As enacted, authorizes local governments to regulate sober living homes for recovery from alcohol, drug, and substance abuse to the extent such regulation complies with the Fair Housing Act and the Americans with Disabilities Act.	HB0783
458	Human Rights	As enacted, enacts the "Dismantling DEI Departments Act."	SB1084
471	Human Rights	As enacted, schedules the Tennessee human rights commission for termination on July 1, 2025, and transfers the commission's duties concerning discrimination in employment, housing, public accommodations, malicious harassment, the Civil Rights Act of 1990, the "Tennessee Anti-Slapp Act," and education to the attorney general and reporter.	HB0910

Chapter Number	Subject	Abstract	Bill Number
135	Human Services, Dept. of	As enacted, makes various changes to the licensing exemption categories for programs and activities that fall within the definition of a child care agency; makes related changes, such as exempting home schools from licensure.	HB0106
402	Human Services, Dept. of	As enacted, requires the department to establish a process by which management of a public property may submit formal complaints regarding the conduct or performance of a blind individual who has been licensed to operate a vending facility on such public property through the business enterprise program for the blind; makes other changes relative to such programs for disabled individuals.	SB1388
323	Immigration	As enacted, requires the centralized immigration enforcement division within the department of safety to provide a report to the chief clerk of each house of the general assembly and the legislative librarian regarding illegal alien criminal activity in this state.	SB0750
379	Industrial Development	As enacted, redefines "remediation site" to include a 501(c)(3) nonprofit entity whose main purpose is to promote industrial development and new nuclear development upon dissolution of the existing nonprofit entity.	SB0758
56	Infectious Diseases	As enacted, directs the commissioner of health to, on or before July 1, 2025, add alpha-gal syndrome to the department of health's published list of reportable diseases and conditions, the occurrence of which must be reported to the department by a healthcare provider pursuant to existing administrative rule.	HB0383
69	Infectious Diseases	As enacted, deletes all references to the world health organization; requires a pandemic to be declared by the federal centers for disease and prevention control, rather than the world health organization, with a subsequent declaration of a state of emergency by the governor for the governor to have exclusive jurisdiction to issue executive orders and directives related to the pandemic until the pandemic ceases to exist.	SB0669
71	Insurance Companies, Agents, Brokers, Policies	As enacted, revises the criteria by which certain domestic insurance companies may invest or acquire an interest in foreign investment assets, real property, and certain money market funds.	SB0696
125	Insurance Companies, Agents, Brokers, Policies	As enacted, removes the requirement that a provider notify a patient of communication between the provider and a health insurance entity or healthcare facility concerning additional information needed to process a prior authorization request for the patient; removes the requirement that an utilization review agent notify the enrollee and the provider or healthcare facility when additional information is needed from the enrollee, provider, or healthcare facility to make a determination on the request for prior authorization.	SB1063

Chapter Number	Subject	Abstract	Bill Number
150	Insurance Companies, Agents, Brokers, Policies	As enacted, clarifies that the exemption from claims of creditors for the net amount payable under a policy of life insurance or under an annuity contract upon the life of a person made for the benefit of, or assigned to, the spouse, children, or dependent relatives of the person includes claims through execution, attachment, seizure, and garnishment, and that use of exempt funds does not change the classification of the funds used from exempt to nonexempt.	HB1045
161	Insurance Companies, Agents, Brokers, Policies	As enacted, authorizes categorizing certain foreign multiple employer welfare arrangements as domestic multiple employer welfare arrangements if specific conditions are met.	SB0286
183	Insurance Companies, Agents, Brokers, Policies	As enacted, requires a health benefit plan issuer to provide no later than 30 days after a health benefit plan issuer receives a written request for a claims experience report from a plan, plan sponsor, or plan administrator, the report to the requesting party; prohibits coverage by a commercial risk insurance policy of farm risks or real or personal property used in farming from being considered in determining whether property is classified as farm or agricultural property under another law or rule in this state; revises provisions relating to reinsurance and risk insurance; revises provisions relating to the readability, content, and style of life and health insurance policies.	SB1270
416	Insurance Companies, Agents, Brokers, Policies	As enacted, requires TACIR to conduct a study on the feasibility of implementing and potential effects of enacting the insurance coverage requirements proposed in Senate Bill 231 of the 114th General Assembly, as originally filed; requires TACIR to publish a report of its findings and recommendations.	SB0231
131	Insurance, Health, Accident	As enacted, enacts the "Voluntary Portable Benefit Plan Act"; makes related changes.	SB1377
168	Insurance, Health, Accident	As enacted, revises certain protocols for mental health and substance abuse services.	SB0437
185	Insurance, Health, Accident	As enacted, extends the Access Tennessee health insurance program from June 30, 2025, to June 30, 2030.	SB1304
210	Insurance, Health, Accident	As enacted, clarifies that excepted benefits are not part of a requirement to provide coverage for a specific person, provider, treatment, service, condition, or disease, unless coverage of such excepted benefits is expressly required by law.	SB0440

Chapter Number	Subject	Abstract	Bill Number
404	Insurance, Health, Accident	As enacted, revises present law relative to 340B entities.	SB1414
446	Insurance, Health, Accident	As enacted, removes the aggregate penalty limits for violations of law concerning pharmacy benefits managers; provides that a pharmacy benefits manager regulated under law relative to pharmacy benefits managers is subject to the insurance laws relative to timely reimbursement of health insurance claims and its requirements for timing of payments to pharmacists; provides that a violation of the prompt pay standards is governed by the penalties set out in insurance laws relative to timely reimbursement of health insurance claims.	SB0881
47	Intellectual & Developmental Disabilities	As enacted, revises record retention requirements for records regarding services and supports received by persons with intellectual and developmental disabilities by the department of disability and aging's contracted providers and departmental facilities and clinics, updates outdated cross-references.	HB0104
70	Interest Rates	As enacted, increases, from 30 to 36 percent per annum, the maximum permitted effective rate of interest that may be contracted for by an industrial loan and thrift company on an unpaid balance where the amount financed is \$100 or more; makes other related changes.	SB0694
290	Interest Rates	As enacted, removes the weighted average yield of the accepted offers of the Federal National Mortgage Association's current free market system auction and the 30-year treasury yield as the two bases upon which the maximum effective rate of interest on home loans may be set by the commissioner of financial institutions, and replaces them with the average prime offer rate.	HB0908
320	Jails, Local Lock-ups	As enacted, requires, if a prisoner is released for paid employment, the cost of the electronic monitoring device to be deducted from the prisoner's wages by the sheriff and paid directly to the electronic monitoring device provider by the county or state, as applicable; requires, if a prisoner is released for unpaid work, the entity utilizing the prisoner for work to pay the costs of the electronic monitoring device.	SB0533
292	Juvenile Offenders	As enacted, requires suspension of a minor's driving privileges or ability to obtain a driver license for a period of one year as part of the disposition if a minor is adjudicated delinquent for an act that would constitute the offense of harassment by bullying or cyber-bullying.	HB1025
414	Juvenile Offenders	As enacted, permits a court to use juvenile court records, including the disposition and evidence, in pretrial reports used to set bond for certain criminal offenses; requires the magistrate to consider the defendant's prior juvenile record in determining the defendant's risk of danger to the community.	SB0221
391	Law Enforcement	As enacted, authorizes uniformed law enforcement officers to wear decorations, medals, service medals, and badges awarded to the officers by the armed forces of the United States, the Tennessee national guard, or the state guard during the week prior to Veterans Day and Memorial Day, the day of Veterans Day and Memorial Day, and the day immediately following Veterans Day and Memorial Day.	SB1090

Chapter Number	Subject	Abstract	Bill Number
105	Law Enforcement Training Academy	As enacted, requires the peace officer standards and training commission to issue a certificate of compliance to a person appointed as a private special deputy on or after January 1, 2026, if the person meets the qualifications for employment as a police officer and satisfactorily completes an approved recruit training program; requires annual in-service training sessions to retain such certification.	HB1095
444	Licenses	As enacted, creates a bait privilege license to allow hunting or taking of whitetail deer using bait on privately owned or privately leased land.	SB0869
165	Local Education Agencies	As enacted, requires at least one full-time employee at each school under the jurisdiction of an LEA or public charter school to annually receive training in seizure safety and first aid.	SB0344
172	Local Education Agencies	As enacted, requires an LEA and public charter school that provides parents or guardians of K-12 students with information on immunizations, infectious diseases, medications, or other school health issues to include information about Type 1 and Type 2 diabetes published by the department of education; directs the department, in cooperation with the department of health, to publish and make available to LEAs and public charter schools for free on its website certain information about Type 1 and Type 2 diabetes.	SB0680
173	Local Education Agencies	As enacted, requires a public school under the jurisdiction of an LEA that offers students the opportunity to participate in interscholastic athletic competitions to allow the LEA's virtual school students to participate in interscholastic athletics at the public school in the LEA for which they are zoned and that they are otherwise eligible to attend.	SB0690
199	Local Education Agencies	As enacted, requires LEAs to notify parents or guardians of a student at least 10 days before the student's individualized education program (IEP) meeting; requires LEAs to provide a copy of all evaluations and assessments of a student conducted for purposes of the student's IEP and, if created, a copy of a student's draft IEP, unless previously declined, to the student's parent or guardian at least 48 hours prior to a scheduled IEP team meeting.	HB0861
215	Local Education Agencies	As enacted, requires an LEA that receives credible information regarding a threat of violence or significantly disruptive behavior directed toward, or occurring on the grounds of, a public school in the LEA, and that reports the threat or disruptive behavior to a state or local law enforcement agency, to notify the parents and guardians of students enrolled in the public school of the same threat or disruptive behavior within 48 hours of the LEA making its report to law enforcement.	SB0946
225	Local Education Agencies	As enacted, authorizes LEAs to enroll LEAs' employees' children into the voluntary pre-kindergarten program if space is available after enrollment of at-risk children; authorizes LEAs to charge the employee tuition and fees for such enrollment.	SB0753
256	Local Education Agencies	As enacted, authorizes an LEA to adopt and implement a merit-based pay structure for educators to award additional compensation to high-performing educators and to incentivize educators to meet and exceed expectations.	SB0729

Chapter Number	Subject	Abstract	Bill Number
306	Local Education Agencies	As enacted, increases, from 130 minutes per full school week to 40 minutes per school day, the minimum amount of physical activity required for elementary school students; establishes additional requirements for the minimum amount of physical activity required for elementary school students.	SB0158
359	Local Education Agencies	As enacted, requires each board of education for an LEA that operates at least one high school to adopt and implement a policy to authorize a high school student to serve as an advisory, nonvoting representative on the board during meetings that are open to the public.	SB0161
476	Local Education Agencies	As enacted, requires, beginning August 1, 2027, each LEA and public charter school to prohibit food or beverage items that contain Allura Red AC, which is Chemical Abstracts Service registry number 25956-17-6 and also known as Red 40, to be sold, offered for sale, or provided to students on school property through the school nutrition program provided by the LEA, public charter school, or a third party expressly authorized by the LEA or public charter school.	HB0134
527	Local Education Agencies	As enacted, authorizes a local legislative body for a county that has adopted a charter form of government to require elections for the county board of education to be held at the same time and on the same election cycle as elections for members of the local legislative body for the county, members of the county board of education to have successive terms of office if members of the local legislative body for the county have successive terms of office and members of the county board of education to have the same term limits as members of the local legislative body for the county.	HB1383
140	Local Government, General	As enacted, requires each department, agency, or official of a local government who assesses and collects a fee of more than \$250 to document the justification and cost basis of the fee; makes such documentation a public record; subjects such documentation to an annual audit by the comptroller of the treasury.	HB0375
411	Local Government, General	As enacted, authorizes a member of a local government's legislative body to participate in a scheduled meeting by electronic means if the member is dealing with a family or medical emergency, has been called into military service, or is unable to attend in person due to inclement weather.	SB0136
413	Local Government, General	As enacted, requires TACIR to study the economic impact on local jurisdictions that are required to provide ambulance services and emergency and non-emergency transport reimbursement; requires TACIR to submit a report of the findings and recommendations.	SB0160
494	Local Government, General	As enacted, enacts "Dismantle DEI in Employment Act."	HB0622
514	Local Government, General	As enacted, sets up a process by which the attorney general and reporter may review whether a local government action violates state law or the Constitution of Tennessee.	HB1097

Chapter Number	Subject	Abstract	Bill Number
59	Medical Occupations	As enacted, requires the board of medical examiners to register an applicant as a registered surgical assistant if the applicant maintains current credentials as a surgical assistant issued by the American Board of Surgical Assistants and satisfies other necessary requirements; removes December 31, 2019, as the deadline by which an applicant for registration as a surgical assistant must register with the board in order to be registered on the basis of certain practical experience.	SB0174
204	Medical Occupations	As enacted, makes various changes relative to marriage and family therapist licensure.	HB0959
213	Medical Occupations	As enacted, enacts the "Tennessee Physician Workforce Information Act."	SB0554
317	Medical Occupations	As enacted, authorizes a healthcare provider's licensing board to issue a license subject to a private advocacy order which requires the applicant to participate in a peer assistance program approved by the board; designates private advocacy orders as confidential and not public records, as long as the provider does not fail to maintain participation in the peer assistance program and requires the initiation of disciplinary proceedings by the board.	SB0359
406	Mental Health & Substance Abuse Services, Dept. of	As enacted, revises present law relative to recovery residences and alcohol and drug prevention or treatment facilities under certification by the department.	SB1240
243	Military	As enacted, defines "working day" for purposes of determining the military leave and compensation available to state and local government employees who are members of any reserve component of the armed forces of the United States who are called to active military service.	SB0279
331	Military	As enacted, specifies that the state guard is a separate entity within the military department for budgetary purposes.	HB0020
483	Military	As enacted, enacts the "Tennessee National Guard Servicemember's Medical Readiness Act."	HB0479
189	Mining and Quarrying	As enacted, revises certain requirements to file liens for the reclamation of abandoned coal mining lands.	HB0123
112	Mobile Homes and Manufactured Buildings	As enacted, requires this state's definition of manufactured home to automatically update with the definition of manufactured home under title 42 of the United States Code, which currently excludes a self-propelled recreational vehicle.	SB0119

Chapter Number	Subject	Abstract	Bill Number
489	Montgomery County	As enacted, permits a court to transfer, upon motion by the defendant, a criminal case to the veterans treatment court program in Montgomery County if the veterans treatment court program would have jurisdiction over the case if the offense had been committed in Montgomery County, the defendant files with the court a written waiver of the right to be tried by an impartial jury of the county in which the crime was committed, and the district attorney general for Montgomery County agrees to accept transfer of the case.	HB0524
60	Motor Vehicles	As enacted, authorizes the sale or purchase of previously titled antique or unique motor vehicles without a motor vehicle dealer license through auction formats held in Hamilton County that meet certain criteria.	SB0213
146	Motor Vehicles	As enacted, specifies that a vehicle protection product warrantor applying for renewal is not required to file a copy of a warranty that has already been registered for use; requires such warrantor to provide written notification of any change to the information contained in the original registration within 30 days of the change; provides that such notification does not require the submission of a new registration application.	HB0621
255	Motor Vehicles	As enacted, authorizes utility terrain vehicles to operate on county roads and state highways throughout the state, subject to certain restrictions.	SB0728
457	Motor Vehicles	As enacted, revises various provisions of the Modernization of Towing, Immobilization, and Oversight Normalization Act.	SB1068
73	Motor Vehicles, Titling and Registration	As enacted, authorizes issuance of a free distinguishing placard for eligible disabled veterans to be used in lieu of a distinguishing license plate for parking purposes; authorizes issuance of a distinguishing placard upon payment of the applicable fee for eligible disabled veterans who have been issued a free distinguishing license plate for parking purposes.	SB1017
143	Motor Vehicles, Titling and Registration	As enacted, authorizes an antique emergency vehicle registered as an antique motor vehicle to be used for participation in, or transportation to and from, community or educational events, including displays at fairs, festivals, and schools, as well as during weekends and holidays; authorizes the installation and operation of emergency lights and sirens on a privately owned antique emergency vehicle under certain circumstances.	HB0442
157	Motor Vehicles, Titling and Registration	As enacted, enacts the "Law Enforcement's Safer Tennessee Electronic Registration (LESTER) Act," which clarifies that law enforcement is required to accept a digital copy of vehicle registration as proof of registration.	SB0228
193	Motor Vehicles, Titling and Registration	As enacted, authorizes a county clerk, during a period of a public health emergency, natural disaster, or other temporary office closure, to request the assistance of a county clerk in a contiguous county for purposes of registering motor vehicles and related transactions.	HB0737
326	Motor Vehicles, Titling and Registration	As enacted, increases, from \$5 to \$7, the fee for the service of handling mail orders that renew a registration plate through the U.S. postal service; increases, from \$2 to \$3, the fee for the service of handling mail orders of decals.	SB0876

Chapter Number	Subject	Abstract	Bill Number
479	Motor Vehicles, Titling and Registration	As enacted, creates new specialty earmarked license plates; extends certain specialty earmarked license plates; authorizes the funds generated from the issuance of the Historic Franklin new specialty earmarked license plate to also be used to provide financial support for the Chester Inn State Historic Site; authorizes the issuance of motorcycle plates for paratroopers.	HB0212
18	Municipal Government	As enacted, specifies penalties for a municipality that fails to timely provide the comptroller of the treasury with copies of audits of the accounts and records of all departments, boards, and agencies under the municipality's jurisdiction that receive and disburse funds.	SB0115
44	Municipal Government	As enacted, authorizes a certified municipal finance officer who is contracted with a municipality to provide financial oversight on behalf of the municipality to devote fewer than 16 hours per month to such duties, if the municipality seeks and receives written approval from the comptroller of the treasury.	SB0109
279	Municipal Government	As enacted, authorizes a city incorporated under a city manager-commission charter to contract with a private entity for the development, construction, management, or operation of an indoor or outdoor sports facility under terms acceptable to the city if certain conditions are met.	HB0065
421	Naming and Designating	As enacted, designates the National Guard Armory in Cheatham County as the "First Sergeant Charles Anderson Douglas National Guard Armory."	SB0276
500	Newspapers and Publications	As enacted, specifies that the website where legal notices must be posted must not require a fee or a subscription for a person to view the website; makes related changes.	HB0773
124	Notary Public	As enacted, adds that a person must complete a course of instruction and pass an examination to qualify to be commissioned as an online notary public; clarifies that an application to be commissioned requires a certification that the applicant has reviewed, understands, and will comply with the applicable rules and requirements promulgated by the secretary of state; adds that a course of instruction for online notarization must include, at a minimum, notarial laws, technology procedures of online notarizations, and ethical requirements for online notaries.	SB1051
510	Nuisances	As enacted, revises nuisance laws.	HB1050
435	Nurses, Nursing	As enacted, requires the board of nursing to permit a student to enroll in a practical nursing program offered by a public institution of higher education governed by the Tennessee board of regents if the student meets the qualifications for a high school diploma or its equivalent and meets other requirements; requires the board of nursing to permit a student enrolled in a practical nursing program to sit for the national council licensure exam for practical nurses (NCLEX-PN) upon completion of a practical nursing program.	SB0644
286	Open Meetings	As enacted, specifies that the Tennessee One Health Committee is a governing body under the open meetings act; requires meetings of the committee to be open to the public.	HB0731

Chapter Number	Subject	Abstract	Bill Number
360	Open Meetings	As enacted, expands the requirement that state and local governing bodies make an agenda available to the public prior to regular public meetings of the body to include the governing bodies of certain nonprofit organizations, including nonprofit community organizations that receive federal funding, nonprofit organizations that receive community grant funds from this state or certain funding from local governments, nonprofit organizations created for the benefit of local governments, and nonprofit organizations that provide the metropolitan government of Nashville/Davidson County with certain utility services; requires, rather than permits, such governing bodies that maintain a website to post the agenda to the website.	SB0212
278	Opioids	As enacted, authorizes an insurer, for purposes of group insurance plans offered to state employees, to adopt or amend a state preferred drug list (PDL); requires the insurer to ensure that a non-opioid drug approved by the U.S. food and drug administration for the treatment or management of pain is not disadvantaged or discouraged with respect to coverage relative to an opioid or narcotic drug for the treatment or management of pain on the PDL.	HB0037
295	Opioids	As enacted, clarifies that a physician licensed in this state is the only healthcare provider authorized to prescribe a buprenorphine product for a FDA-approved use in recovery or medication-assisted treatment; revises criteria for providers not licensed in this state to prescribe a buprenorphine product for the treatment of opioid use disorder.	HB1239
302	Opioids	As enacted, adds Amneal Pharmaceuticals LLC, Hikma Pharmaceuticals USA Inc., Sun Pharmaceutical Industries, Inc., Indivior Inc., Viatris Inc., and Purdue Pharma L.P. to the list of companies that may be released by the attorney general and reporter for pending or future claims regarding opioids.	SB0048
246	Orders of Protection	As enacted, expands the courts in Shelby County that can hear a petition for an order of protection to include a criminal court when the criminal court is hearing a criminal matter involving a domestic abuse victim, sexual assault victim, or stalking victim; makes related changes.	SB0406
190	Parks, Natural Areas Preservation	As enacted, revises the descriptions of existing state natural areas and designates new natural areas.	HB0126
336	Parks, Natural Areas Preservation	As enacted, requires a county or municipal government that receives a grant from the local parks land acquisition fund for a project located within a county designated as distressed or at-risk by the Appalachian Regional Commission at the time of the grant application to match the grant with an amount of money equal to 25 percent of the project, instead of requiring a match with an amount of money equal to the grant.	HB0125
289	Pensions and Retirement Benefits	As enacted, requires the TCRS board of trustees to divest the retirement system from investment activity it has in a company known to be majority-owned by China; requires a local governing body to divest its political subdivision pension plan from investment activity it has in a company known to be majority-owned by China.	HB0805

Chapter Number	Subject	Abstract	Bill Number
341	Pensions and Retirement Benefits	As enacted, enacts the "Fairness in Benefits Act."	HB0550
367	Pensions and Retirement Benefits	As enacted, establishes that certain public officials, including members of the general assembly, who take office on or after July 1, 2025, have mandatory membership in the Tennessee consolidated retirement system (TCRS); allows a retiree to reannuitize retirement benefits in favor of a new spouse beneficiary following cancellation of a former spouse beneficiary due to divorce; makes other revisions to provisions governing the TCRS.	SB0510
383	Pensions and Retirement Benefits	As enacted, authorizes, after July 1, 2025, a political subdivision to adopt a supplemental bridge benefit for members who are in positions covered by mandatory retirement provisions; makes related changes relative to supplemental bridge benefits.	SB0953
67	Personal Property	As enacted, specifies that if the occupant of a self-service storage facility does not sign a written rental agreement revision and continues to use the facility for not less than 30 days from the date of receipt of the agreement, then the occupant is considered to have accepted the rental agreement revision; makes other changes related to self-service storage facilities.	SB0559
68	Pharmacy, Pharmacists	As enacted, makes certain changes to the practice of pharmacy, including removing the present prohibition on requiring a patient to pay an administrative fee for pharmacist-provided hormonal contraceptives when the patient is insured or covered and receives a pharmacy benefit that covers the cost of the hormonal contraceptives.	SB0569
348	Planning, Public	As enacted, revises the present law provision requiring all multi-family facilities, buildings, and structures constructed under a voluntary attainable housing incentive program to be deed-restricted to ensure that the attainable housing continues for at least 30 years, instead of in perpetuity.	HB0863
440	Planning, Public	As enacted, specifies that the vesting period established for a construction project or development plan does not expire because of pending litigation challenging a permit; specifies that the vesting period is tolled while such litigation is pending.	SB0773
344	Private Protective Services	As enacted, creates the enhanced armed guard registration that may be obtained upon completion of certain training and other requirements by an armed security guard/officer who has at least five years of full-time experience as a law enforcement officer or four years of active duty military experience in a combat arms military occupational specialty; directs the commissioner of commerce and insurance to approve an enhanced armed guard training course.	HB0683
304	Professions and Occupations	As enacted, makes various changes relative to the practice of chiropractors, including animal chiropractic practice.	SB0128

Chapter Number	Subject	Abstract	Bill Number
280	Public Buildings	As enacted, expands public records exception to include residential information of local government employees.	HB0066
485	Public Defenders	As enacted, creates five additional assistant district public defender positions effective July 1, 2025.	HB0486
159	Public Employees	As enacted, establishes that a retiree who is a member of the Tennessee consolidated retirement system must have had a bona fide separation of service before the retiree is allowed to accept temporary reemployment without a loss or suspension of benefits in the retirement system; makes other changes to the present law relative to reemployment after retirement from public employment.	SB0251
163	Public Employees	As enacted, authorizes an eligible education employee to qualify for paid leave during the legal process for adopting a newly placed minor child, specifically during that period of time beginning with the filing of a petition for adoption when a minor child is initially placed within the residence of a prospective adoptive parent pursuant to a court-ordered parental power of attorney or guardianship or custodial order until the issuance of a final order of adoption by the court.	SB0314
17	Public Funds and Financing	As enacted, broadens certain disclosure obligations of state and local governmental entities by requiring their disclosure of covenant violations and credit rating downgrades to the comptroller of the treasury or the comptroller's designee.	SB0114
218	Public Funds and Financing	As enacted, redefines "local government" to include a water, wastewater, or energy authority for purposes of the present law applicable to bonds and notes issued by local governments; makes other related revisions.	SB0191
495	Public Funds and Financing	As enacted, enacts the "Savannah Grace Copeland Act."	HB0641
508	Public Funds and Financing	As enacted, generally requires that all monies received under the sales and use tax from the sale, use, consumption, or distribution of new or used tires on or after July 1, 2025, must be earmarked and allocated to the highway fund.	HB0969
521	Public Funds and Financing	As enacted, authorizes use of the Hurricane Helene interest payment fund to pay local governments' loan charges; makes related changes.	HB1278
46	Public Health	As enacted, adds as a disease for which a laboratory must test during a standard serological test of a pregnant woman hepatitis C antibody (anti-HCV) with automatic reflex to HCV RNA if anti-HCV is reactive, and makes certain other changes to the process of conducting required pregnancy serological tests.	SB1283
232	Public Health	As enacted, requires a medical laboratory supervisor to be readily available for consultations during all hours when tests are performed; prohibits a medical laboratory supervisor from being required to be on laboratory premises.	SB1385
202	Public Property	As enacted, clarifies exception to when a state entity must advertise for leasing space when the entity has requirements that are special and unique.	HB0917

Chapter Number	Subject	Abstract	Bill Number
365	Public Records	As enacted, authorizes the comptroller of the treasury to publish certain survey data that is otherwise deemed confidential.	SB0390
370	Public Records	As enacted, requires the office of open records counsel to facilitate the convening of meetings of the advisory committee on open government, including selecting a date for the required annual meeting in the absence of co-chairs.	SB0623
392	Public Records	As enacted, deletes the automatic repeal on July 1, 2025, of a provision that authorizes records custodians to seek an injunction against a person who makes requests to view or copy public records with the intent to disrupt government operations.	SB1114
107	Public Utility Commission	As enacted, prohibits the commission from exercising regulatory authority over the entry of, rates for, or terms or conditions used by a broadband internet access service or interconnected VoIP service, or from treating a provider of such services as a carrier; makes other changes related to broadband services.	HB1136
98	Purchasing and Procurement	As enacted, authorizes a local government to execute a cooperative purchasing agreement with other local, state, and federal governmental entities for purposes of purchasing materials, labor, and services used for maintenance, operations, component replacement, or repairs of existing facilities and grounds owned or operated by a local education agency or by a local government agency.	HB0546
85	Railroads	As enacted, changes, from the governor to the commissioner of safety, the authority to whom a railroad company may apply to and who commissions an agent or employee as a railroad police officer.	HB0121
122	Real Estate Agents and Brokers	As enacted, exempts a real estate broker licensee who was originally licensed prior to January 1, 2005, and does not supervise any affiliate brokers from the requirement to furnish certification of satisfactory completion of 16 classroom hours in real estate courses for reissuance of a license for a licensure period after the period in which the licensee completed the required 120 classroom hours in real estate.	SB0886
72	Real Property	As enacted, requires a buyer engaged in wholesaling real property to disclose certain information related to the buyer's equitable interest in the real property to the seller and a subsequent purchaser.	SB0909
90	Real Property	As enacted, creates a legal process through which a person may request the immediate removal of an unlawful occupant of the person's commercial real property by filing a complaint with the sheriff for the county in which the property is located.	HB0216
104	Real Property	As enacted, specifies certain persons who may submit electronic records for registration with a register of deeds that accepts electronic records under the Uniform Real Property Electronic Recording Act; makes other changes related to the act.	HB1039

<b>Chapter Number</b>	<b>Subject</b>	<b>Abstract</b>	<b>Bill Number</b>
138	Real Property	As enacted, clarifies that property that is qualified as agricultural, forest land, or open space land, owned by two individuals, and held under the titles of tenancy by the entireties or of joint tenancy with right of survivorship, is deemed to have unchanged ownership upon the death of an owner if the property is retained by the other owner through a right of survivorship or upon the divorce of the owners if the property is retained by either owner through division and distribution of property in the divorce proceeding.	HB0297
180	Real Property	As enacted, adds requirements for declarant access to and use of deposits made in connection with the purchase or reservation of a condominium unit; makes other similar changes.	SB1079
337	Real Property	As enacted, requires foreign persons who purchase land in this state and who file a report of such purchase to the United States department of agriculture under the Agricultural Foreign Investment Disclosure Act to also file the report with the commissioner of agriculture.	HB0219
441	Real Property	As enacted, expands the purposes for which monies in the wetland acquisition fund may be used.	SB0843
465	Real Property	As enacted, creates a vested property right upon the submission, rather than the approval, of a development plan or building permit; specifies that the vesting period applicable when it is based on the submission of a building permit is three years.	SB1313
498	Real Property	As enacted, extends from January 28, 2025, to April 15, 2025, the date by which an assessor must have determined that property was destroyed or damaged by a qualified disaster in order for the owner to be eligible for a direct payment from the comptroller of the treasury.	HB0726
515	Real Property	As enacted, revises present law relative to advertising the sale of land to foreclose a deed of trust, mortgage, or other lien securing the payment of money or other thing of value or under judicial orders or process.	HB1127
274	Regional Authorities and Special Districts	As enacted, requires that interest income accruing on investments and deposits as a result of the Megasite Authority of West Tennessee's collection of rates to customers of a water system or wastewater system operated by the authority be credited to a separate account and carried forward into each subsequent fiscal year.	SB1281
332	Regional Authorities and Special Districts	As enacted, adds the MidSouth development district to the list of development districts to which this state intends to assist financially; specifies an overall state funding level for the nine development districts; changes the calculation for how much funding each development district will receive.	HB0035
357	Regional Authorities and Special Districts	As enacted, enacts the "Real Estate Infrastructure Development Act of 2025."	SB0026

Chapter Number	Subject	Abstract	Bill Number
329	Remedies and Special Proceedings	As enacted, removes the ability to bring a civil liability action for negligence per se against a seller of a qualified product; expands "qualified products" to include knives, body armor, pepper spray, silencers, and other certain products; requires physical injury for a negligent entrustment action rather than an unreasonable risk of physical injury; specifies that a person who will be subject to an ordinance in the future or reasonably intends to be physically present in the political subdivision is an adversely affected party for purposes of filing certain actions; makes various other changes regarding civil actions against arms dealers, manufacturers, and sellers and the preemption of local regulation of firearms.	SB1360
355	Revenue, Dept. of	As enacted, reduces from 1.125 percent to 0.75 percent the administrative fee percentage the department takes from the proceeds of the business tax, short-term rental unit occupancy tax, local tax surcharge, coal severance tax, and local option sales tax to assist in defraying the expenses of administration and collection, before remitting proceeds to the appropriate county, city, or town.	HB1329
129	Safety, Dept. of	As enacted, specifies that the Tennessee Advanced Communications Network (TACN) is the division of the department of safety that operates, maintains, and oversees the statewide P25 interoperable communications system; authorizes the department to collect and use fees and assessments for the improvement of the system in addition to collection and use of such fees for the system's use and maintenance.	SB1301
423	Salaries and Benefits	As enacted, grants eligible employees leave of up to six workweeks because the employee is caring for a family member with a serious health condition.	SB0322
334	Scholarships and Financial Aid	As enacted, makes various changes to the Tennessee Support, Training, and Renewing Opportunity for National Guardsmen (STRONG) Act.	HB0114
488	Scholarships and Financial Aid	As enacted, makes various changes to the "Tennessee Future Teacher Scholarship Act of 2023."	HB0504
275	Schools, Charter	As enacted, establishes a process by which the governing body of an existing public charter school may replicate that public charter school in the same district by applying to the local board of education or directly to the Tennessee public charter school commission; allows, in certain circumstances, a public charter school sponsor to apply directly to the commission to open a new public charter school; makes various changes to the state agencies responsible for performing certain functions in the Tennessee Public Charter Schools Act of 2002.	SB1310
388	Schools, Charter	As enacted, prohibits a county LEA or public charter school authorized to operate in a county LEA from charging registration fees, enrollment fees, or tuition for a student who resides in the county and who transfers to a public charter school authorized to operate in the county LEA from another LEA located in the same county.	SB1018

<b>Chapter Number</b>	<b>Subject</b>	<b>Abstract</b>	<b>Bill Number</b>
518	Schools, Charter	As enacted, permits a public charter school authorized in the county LEA for a county in which only one city school system operates to use available buildings or facilities located within the geographic boundaries of the city school system located in the same county if certain conditions are met.	HB1162
380	Schools, Private	As enacted, prohibits the state board of education from requiring a private school that provides a fully online, self paced educational program to comply with certain class size, school calendar, vaccination, and assessment requirements in order to operate in this state as an approved Category III nonpublic school.	SB0827
244	Search & Seizure	As enacted, specifies that certain physical searches of students and searches of lockers, vehicles, and other property must be conducted by a school resource officer.	SB0290
113	Secretary of State	As enacted, clarifies that administrative dissolution is permitted for certain entities if the entity files a signed document with the secretary of state knowing that it contained materially false information; permits administrative dissolution of certain entities if the entity is owned or controlled by a foreign government or foreign non-government person determined to be a foreign adversary by the United States secretary of commerce.	SB0306
152	Secretary of State	As enacted, establishes a complaint process with the secretary of state for any person who contends that the person's name or address was included on a document filed with the secretary of state without the person's consent.	HB1341
271	Secretary of State	As enacted, allows a litigation financier that is not a business entity or partnership to amend or withdraw its registration with the secretary of state by filing a form prescribed by the secretary of state, along with a filing fee of \$20.	SB1137
375	Sentencing	As enacted, provides that if the victim in an aggravated sexual battery was less than 18 or was mentally defective, mentally incapacitated, or physically helpless, then such battery remains a Class B felony, and the defendant must be punished as a Range II offender; provides that the sentence imposed upon the defendant may, if appropriate, be within Range III but in no case lower than Range II.	SB0678
481	Sentencing	As enacted, generally requires a person convicted of a Class A misdemeanor in general sessions court to pay for and complete a cognitive behavioral training course; requires the offender to provide proof of course completion to the court or the court's designee within the time period specified by the court.	HB0371
229	Sewage	As enacted, establishes a deadline for consideration of certain subsurface sewage disposal system applications submitted by soil scientists.	SB0883
461	Sewage	As enacted, prohibits a municipal sewer system or utility district that has operated a sewerage system outside of the corporate boundaries of the city or town for 25 years or more from ceasing operation of the sewerage system outside the corporate boundaries so long as the sewerage system maintains sufficient capacity; requires a utility system that provides wastewater service to provide a connection to the owner of real property for wastewater service when the utility system meets certain requirements.	SB1138

Chapter Number	Subject	Abstract	Bill Number
429	Solid Waste Disposal	As enacted, creates the advisory task force on solid waste to examine and review issues related to solid waste; authorizes the department of environment and conservation to accept voluntary contributions, and to apply for grants, from private companies for grants for recycling infrastructure, recycling projects, and composting.	SB0438
300	Sports	As enacted, revises present law relative to an intercollegiate athlete's name, image, or likeness.	SB0536
74	State Employees	As enacted, expands bereavement leave for certain state officers and employees upon the death of certain relatives.	SB1285
82	State Employees	As enacted, requires the pay period for state employees be no less than twice per month as determined by the commissioner of finance and administration; removes the requirement that the pay period be semimonthly.	HB0108
121	State Employees	As enacted, clarifies that full-time employees of the general assembly are eligible for a waiver of tuition and fees for purposes of continuing education for more than one course at a time if the employees work more hours each week than typically required of full-time employment for at least four weeks per year.	SB0797
425	State Employees	As enacted, classifies as state employees for purposes of defense and other related provisions, soil and water conservation district board of supervisors, employees, officers, and agents, and persons designated by a soil and water conservation district as participants in volunteer programs authorized by such districts.	SB0411
308	State Government	As enacted, removes obsolete statutory references to the defunct joint select committee on veterans services of the general assembly; makes revisions to entities listed in the Tennessee Governmental Entity Review Law; revises present law provisions relative to the retirement incentive bonus for public service commission employees; removes an expired report.	SB0181
361	State Government	As enacted, prohibits the enforcement and recognition of requirements or mandates issued by the World Health Organization, United Nations, or World Economic Forum in this state or its political subdivisions.	SB0263
417	State Government	As enacted, creates the conservatorship management task force.	SB0233
531	State Inmates	As enacted, increases the accreditation stipend provided to eligible counties for each convicted felon housed by the county.	HB0577
176	State Symbols	As enacted, designates the Southern Stars Symphonic Brass as the official brass band of the state of Tennessee.	SB0794
273	State Symbols	As enacted, designates Nashville hot chicken as an official state food.	SB1216
16	Statutes and Codification	As enacted, codifies the Acts of the 2024 regular session.	SB0112
87	Statutes and Codification	As enacted, changes all TCA references from "adult day care" to "adult day services."	HB0157

<b>Chapter Number</b>	<b>Subject</b>	<b>Abstract</b>	<b>Bill Number</b>
291	Statutes of Limitations and Repose	As enacted, extends the statute of limitations for criminal prosecution of certain child sexual abuse felonies from 25 years from the child's 18th birthday to 30 years from the child's 18th birthday; extends the statute of limitations for a civil action based on child sexual abuse from 15 years from the child's 18th birthday to 30 years from the child's 18th birthday.	HB0973
103	Students	As enacted, requires local boards of education and public charter school governing bodies to adopt a policy to prohibit students from using wireless communication devices during instructional time, except in certain circumstances; makes related changes.	HB0932
156	Students	As enacted, requires local education agencies to transfer a student's record, including the student's disciplinary record, to the school to which the student is transferring within five business days of the date on which the student's records request was received by the LEA.	SB0124
316	Sullivan County	As enacted, requires the members of a utility district board of commissioners to serve without compensation for their services, except that, by resolution duly adopted by the board of commissioners, each commissioner may receive per diem payments for not more than 12 meetings of the board of commissioners in any calendar year, at rates not greater than \$500 per meeting.	SB0357
1	Sunset Laws	As enacted, extends the advisory council on workers' compensation to June 30, 2031.	SB0050
2	Sunset Laws	As enacted, extends the air pollution control board to June 30, 2031.	SB0051
3	Sunset Laws	As enacted, extends the board of claims to June 30, 2031.	SB0053
4	Sunset Laws	As enacted, extends the Chickasaw basin authority to June 30, 2031.	SB0059
5	Sunset Laws	As enacted, extends the Civil Defense and Disaster Compact to June 30, 2033.	SB0060
6	Sunset Laws	As enacted, extends the commission on firefighting personnel standards and education to June 30, 2031.	SB0061
7	Sunset Laws	As enacted, extends the emergency communications board to June 30, 2031.	SB0067
8	Sunset Laws	As enacted, extends the Emergency Management Assistance Compact to June 30, 2033.	SB0068
9	Sunset Laws	As enacted, extends the industrial development division, building finance committee to June 30, 2031.	SB0071
10	Sunset Laws	As enacted, extends the Interstate Compact on Detainers to June 30, 2033.	SB0073
11	Sunset Laws	As enacted, extends the Interstate Corrections Compact to June 30, 2033.	SB0074
12	Sunset Laws	As enacted, extends the Interstate Earthquake Compact of 1988 to June 30, 2033.	SB0075
13	Sunset Laws	As enacted, extends the statewide planning and policy council for the department of mental health and substance abuse services to June 30, 2029.	SB0083
14	Sunset Laws	As enacted, extends the Tennessee code commission to June 30, 2033.	SB0090
15	Sunset Laws	As enacted, extends the Tennessee film, entertainment and music commission to June 30, 2031.	SB0094
22	Sunset Laws	As enacted, extends the board of alcohol and drug abuse counselors to June 30, 2029.	HB0229
23	Sunset Laws	As enacted, extends the board of osteopathic examination to June 30, 2029.	HB0233
24	Sunset Laws	As enacted, extends the board of pharmacy to June 30, 2029.	HB0234

Chapter Number	Subject	Abstract	Bill Number
25	Sunset Laws	As enacted, extends the board of physical therapy to June 30, 2029.	HB0235
26	Sunset Laws	As enacted, extends the council on pensions to June 30, 2031.	HB0240
27	Sunset Laws	As enacted, extends the Douglas Henry state museum commission to June 30, 2030.	HB0244
28	Sunset Laws	As enacted, extends the genetic advisory committee to June 30, 2029.	HB0247
29	Sunset Laws	As enacted, extends the perinatal advisory committee to June 30, 2029.	HB0257
30	Sunset Laws	As enacted, extends the private probation services council to June 30, 2031.	HB0258
31	Sunset Laws	As enacted, extends the standards committee, department of human services to June 30, 2031.	HB0260
32	Sunset Laws	As enacted, extends the Tennessee athletic commission to June 30, 2031.	HB0262
33	Sunset Laws	As enacted, extends the Tennessee board of utility regulation to June 30, 2029.	HB0265
34	Sunset Laws	As enacted, extends the Tennessee claims commission to June 30, 2031.	HB0267
35	Sunset Laws	As enacted, extends the Tennessee community resource board to June 30, 2031.	HB0269
36	Sunset Laws	As enacted, extends the Tennessee medical examiner advisory council to June 30, 2029.	HB0274
37	Sunset Laws	As enacted, extends the Tennessee peace officer standards and training commission to June 30, 2031.	HB0277
38	Sunset Laws	As enacted, extends the Tennessee public television council to June 30, 2030.	HB0278
39	Sunset Laws	As enacted, extends the Tennessee wars commission to June 30, 2029.	HB0281
40	Sunset Laws	As enacted, extends the Tennessee wine and grape board to June 30, 2031.	HB0282
41	Sunset Laws	As enacted, extends the traumatic brain injury advisory council to June 30, 2029.	HB0284
42	Sunset Laws	As enacted, extends the professional music therapy advisory committee of the board of examiners in psychology to June 30, 2027.	HB0404
43	Sunset Laws	As enacted, extends the board of occupational therapy to June 30, 2029.	HB0232
48	Sunset Laws	As enacted, extends the advisory committee for children's special services to June 30, 2029.	HB0227
49	Sunset Laws	As enacted, extends the Bureau of TennCare within the department of finance and administration to June 30, 2029.	HB0236
50	Sunset Laws	As enacted, extends the medical cannabis commission to June 30, 2029.	HB0255
51	Sunset Laws	As enacted, extends the megasite authority of West Tennessee to June 30, 2029.	HB0256
52	Sunset Laws	As enacted, extends the second look commission to June 30, 2029.	HB0259
53	Sunset Laws	As enacted, extends the Tennessee emergency medical services board to June 30, 2029.	HB0271
54	Sunset Laws	As enacted, extends the Tennessee historical commission to June 30, 2029.	HB0273

93	Sunset Laws	As enacted, extends the transportation modernization board to June 30, 2029.	HB0283
136	Sunset Laws	As enacted, extends the information systems council to June 30, 2031.	HB0250
137	Sunset Laws	As enacted, extends the Tennessee board of judicial conduct to June 30, 2031.	HB0264

Chapter Number	Subject	Abstract	Bill Number
236	Sunset Laws	As enacted, extends the department of economic and community development to June 30, 2029.	SB0063
237	Sunset Laws	As enacted, extends the department of financial institutions to June 30, 2029.	SB0064
238	Sunset Laws	As enacted, extends the department of mental health and substance abuse services to June 30, 2029.	SB0065
239	Sunset Laws	As enacted, extends the local government planning advisory committee to June 30, 2026.	SB0076
240	Sunset Laws	As enacted, extends the Tennessee bureau of investigation to June 30, 2029.	SB0088
241	Sunset Laws	As enacted, extends the Tennessee emergency management agency to June 30, 2029.	SB0092
242	Sunset Laws	As enacted, extends the Tennessee Technological University, board of trustees, to June 30, 2030.	SB0101
410	Sunset Laws	As enacted, extends the Tennessee technology development corporation to June 30, 2027.	SB0102
178	Surveyors	As enacted, requires a description of real property contained within a deed of conveyance of a property not previously described in a recorded instrument to be prepared by a registered land surveyor; specifies that this requirement will not apply to any deed of conveyance prepared for or by a governmental department or agency.	SB0980
19	Tattoos and Piercings	As enacted, enacts "The Ink of Hope Act"; requires tattoo operators and tattoo artists to complete up to one hour of training on recognizing and reporting signs of human trafficking.	SB0171
212	Tattoos and Piercings	As enacted, permits tattoo artists who have been licensed in this state for fewer than three years but licensed in another state for 10 years or more to receive a tattoo artist licensure in this state; requires the tattoo artist to provide the tattoo artist's signature on this state's tattoo apprenticeship completion application signifying that the apprentice tattoo artist has met the requirement of law.	SB0497
285	Taxes	As enacted, increases, by 15 cents over a 10-year period, and subject to a two-thirds vote of the county legislative body, the maximum mineral severance tax rate that may be levied by a county on all sand, gravel, sandstone, chert, and limestone severed from the ground within its jurisdiction; removes the authorization for Smith County to allocate its mineral severance tax to the county general fund or a fund other than its county road fund.	HB0695
517	Taxes	As enacted, allows nuclear energy production facilities to seek pollution control tax credits for certain machinery and equipment.	HB1133
343	Taxes, Excise	As enacted, authorizes, subject to certain provisions, a taxpayer, at the taxpayer's discretion, to add back to net earnings certain deductions and to subtract certain amounts.	HB0635
496	Taxes, Exemption and Credits	As enacted, changes the amounts of the franchise and excise tax credits allowed to financial institutions from certain percentages of the unpaid principal balance of certain qualified loans made to eligible housing entities to certain percentages of the month-end average unpaid principal balance of such loans; makes other related revisions.	HB0691

Chapter Number	Subject	Abstract	Bill Number
75	Taxes, Franchise	As enacted, clarifies that the imposition of a criminal offense, penalty, or dismissal from employment does not apply to an officer or employee of the department of revenue or other employee or officer of the state who in good faith acts in accordance with present law requiring the department to publish on its website in June 2025 the names of certain taxpayers issued franchise tax refunds.	SB1292
120	Taxes, Hotel Motel	As enacted, extends by six years the period in which Davidson County may charge an additional \$0.50 privilege tax on the occupancy of a hotel room and in which such county may allocate the tax revenue for the purposes of direct promotion of tourism; extends by six years the terms of the committee members that oversee the fund in which the additional tax is deposited.	SB0734
364	Taxes, Hotel Motel	As enacted, requires a hotel operator to remit the hotel tax to the municipality when a person has maintained occupancy for 30 continuous days and to cease collecting the tax from the person for the remainder of their stay in the operator's hotel.	SB0384
372	Taxes, Hotel Motel	As enacted, revises present law relative to the privilege tax upon the privilege of occupancy in a hotel levied by municipalities.	SB0629
335	Taxes, Sales	As enacted, extends indefinitely the authority of the commissioner of revenue to require persons selling food, candy, or nonalcoholic beverages, including bottled soft drinks, to retailers to file an information report of such net sales with the department by deleting the July 1, 2025, termination date.	HB0117
449	Taxes, Sales	As enacted, sets the end date at June 30, 2027, for the exemption from sales and use tax for purchases and leases of equipment and infrastructure used to produce broadband communications services or provide internet access.	SB0925
493	Taxes, Sales	As enacted, increases, from two to four, the number of temporary sales periods that a bona fide religious institution may participate in and be exempt from registering to collect sales tax on sales directly to consumers made during such temporary sales period.	HB0594
296	Teachers, Principals and School Personnel	As enacted, increases from 20 to 30, the maximum number of consecutive days a substitute teacher may substitute for a regular teacher on leave without having to possess a teaching license; requires the six weeks of paid parental leave for eligible employees to be taken either consecutively or non-consecutively based on certain criteria.	HB1253
328	Teachers, Principals and School Personnel	As enacted, makes various changes to certain teacher licensure requirements.	SB1311
115	TennCare	As enacted, makes revisions regarding determining when the annual coverage assessment is implemented and imposed; sets limits on the expenditures for directed payments to hospitals in certain circumstances.	SB0577

Chapter Number	Subject	Abstract	Bill Number
145	TennCare	As enacted, authorizes the bureau to provide coverage and treatment on behalf of an enrollee for the diagnosis, including genetic testing, and treatment of Kleefstra syndrome in the same manner and to the same extent that the bureau provides coverage for autism spectrum disorder, Trisomy 21 or Down syndrome, and other similar or related genetic disorders, when determined to be medically necessary.	HB0502
252	TennCare	As enacted, revises present law relative to the annual coverage assessment.	SB0576
345	TennCare	As enacted, extends the nursing home annual assessment fee to June 30, 2026.	HB0728
378	TennCare	As enacted, extends the ground ambulance service annual assessment to June 30, 2026; makes other revisions to the Ground Ambulance Service Provider Assessment Act.	SB0747
482	TennCare	As enacted, enacts "Lucca's Law," which addresses TennCare coverage of treatment for pediatric autoimmune neuropsychiatric disorders associated with streptococcal infections (PANDAS) and pediatric acute-onset neuropsychiatric syndrome (PANS).	HB0411
502	TennCare	As enacted, directs the director to establish an additional PACE program as a pilot in one of the two grand divisions where a PACE program did not exist in 2024; permits a current PACE program in a county with a specific population to expand into contiguous counties having specifically listed populations.	HB0782
66	Tennessee Bureau of Investigation	As enacted, requires the bureau to classify offenders and determine whether the offender's offense qualifies as a sexual offense, violent sexual offense, or a violent juvenile sexual offense, and whether the offender is an offender against children; allows the bureau to rely on investigative reports, files of certain prosecutorial entities, court records, or other credible information to classify an offender; requires the bureau to notify the offender of the classification.	SB0531
520	Tennessee Bureau of Investigation	As enacted, enacts "Savanna's Law," which creates a registry of persistent domestic violence offenders; requires the bureau to maintain the registry.	HB1200
141	Tennessee Fish & Wildlife Commission	As enacted, authorizes the commission to name real property, infrastructure, improvements to infrastructure, or features under the agency's jurisdiction	HB0422
203	Tennessee Fish & Wildlife Commission	As enacted, authorizes the commission to regulate the operation of sport shooting ranges rather than firing ranges; authorizes the Tennessee wildlife resources agency to establish fees for the use of such ranges in operation prior to July 1, 1998.	HB0921
216	Tennessee Fish & Wildlife Commission	As enacted, makes changes relative to temporary group hunting event permits.	SB1140

Chapter Number	Subject	Abstract	Bill Number
443	Tennessee Fish & Wildlife Commission	As enacted, directs the commission to promulgate rules to create and issue guide licenses for persons who work as guides at Reelfoot Lake.	SB0863
478	Tennessee Fish & Wildlife Commission	As enacted, authorizes the commission to promulgate rules or pass proclamations to authorize the use of drones to locate and retrieve deer that have been wounded by hunters.	HB0175
186	Tennessee Higher Education Commission	As enacted, adds the executive director of the commission to the statutorily prescribed selection process for chief executive officers of public institutions of higher education and removes the repeal date for that process; revises various reporting and other duties of the commission; allows the commission to delegate its approval authority to its executive director in certain areas; expands the quality non-degree credentials for which a student may receive the Wilder-Naifeh technical skills grant.	SB1368
338	Tennessee Housing Development Agency	As enacted, increases, from \$4 billion to \$5 billion, the maximum aggregate principal amount for which the agency may issue bonds and notes at any one time.	HB0331
118	Tobacco, Tobacco Products	As enacted, specifies that a prospective purchaser of tobacco, smoking hemp, vapor products, or smokeless nicotine products must produce proof of age prior to the sale being made; increases from 30 to 50 years the apparent age above which a seller is not required to demand presentation of proof of age.	SB0707
324	Tobacco, Tobacco Products	As enacted, requires the department of revenue to maintain a directory on its website that lists all vapor products certified as authorized to be sold in this state; levies certain privilege taxes.	SB0763
160	Tort Liability and Reform	As enacted, specifies that a law enforcement officer who causes property damage to or inflicts personal injury upon a person during the course of the law enforcement officer's official duties is immune from civil liability if at the time the damage or injury occurred, the person suffering the injury or damage was engaged in conduct that resulted in the person being convicted of the offense of resisting a stop, frisk, halt, arrest, or search of the person.	SB0280
260	Tort Liability and Reform	As enacted, clarifies that any governmental entity may purchase any of the insurance authorized under state law, without the necessity of public bidding, as required by any public or private act or charter restriction, if such insurance is purchased through a plan authorized and approved by any organization of cities, counties, or other governmental entities as contemplated by state law.	SB0842

Chapter Number	Subject	Abstract	Bill Number
299	Tort Liability and Reform	As enacted, prohibits governmental entities or local boards of education from extending immunity granted to independent school bus contractors rather than independent school bus owners and operators for providing school-related transportation services; requires liability insurance coverage in a contract or agreement between a local board of education and an independent school bus contractor for such services to be in an amount sufficient to satisfy applicable law; permits evidence of such coverage to include a certificate of insurance from an insurance provider that lists the local board of education as an additional insured.	SB0408
311	Tort Liability and Reform	As enacted, allows a charitable organization that provides housing to a person whom the charitable organization knows is unlawfully present in the United States to be held liable for a loss, damages, injury, or death resulting from a criminal offense committed by the person who is unlawfully present in the United States while the person is receiving housing services from the charitable organization if the charitable organization's conduct in providing housing constitutes negligence, gross negligence, or willful and wanton misconduct.	SB0227
523	Tourist Development, Dept. of	As enacted, creates a marketing division within the department to replace the tourism division; authorizes the department to enter into agreements with the department of transportation to assist with maintenance of welcome center facilities; creates a welcome centers division within the department to oversee such centers throughout the state; directs the commissioner of finance and administration to transfer from highway user taxes allocated to the highway fund an amount sufficient to support the annual appropriation for implementation and administration of all welcome centers in the state.	HB1321
55	Traffic Safety	As enacted, authorizes a law enforcement officer to seize or impound a motor vehicle that is found with an installed license plate flipper; requires that the owner or operator of the motor vehicle, if present, be provided the opportunity to promptly remove the license plate flipper if it can be removed safely.	HB0300
123	Traffic Safety	As enacted, authorizes counties to delegate authority to the chief administrative officer of the county highway department to set lower speed limits on county roads if the department employs an engineer who is capable of completing required engineering and traffic investigations.	SB0954
158	Traffic Safety	As enacted, creates the offense of an occupant of a vehicle parking, leaving standing, or stopping the vehicle on a street or highway and blocking or impeding the normal movement of traffic for the purpose of soliciting, negotiating, or consummating an employment transaction with a person standing on or in proximity to the street or highway.	SB0248
197	Traffic Safety	As enacted, defines "fully enclosed" as having side panels, a roll bar or roof, and a windshield with regard to crash helmet requirements not applying to autocycles that are fully enclosed.	HB0859

Chapter Number	Subject	Abstract	Bill Number
110	Transportation, Dept. of	As enacted, in the event of a transportation system failure or other emergency, grants the commissioner emergency contracting authority to enter into contracts for design-build, construction manager/general contractor (CM/GC), and progressive design-build (PDB) services for the delivery of transportation projects; exempts the department from having to identify such contracts exceeding \$100 million in its transportation improvement program submitted annually to the general assembly in support of its annual funding recommendations, if they are issued under such emergency contracting authority; makes other revisions to the CM/GC and PDB process.	HB1320
310	Transportation, Dept. of	As enacted, requires the department to develop and implement a policy regarding the removal of personal property used for camping from the shoulder, berm, or right-of-way of highways under its jurisdiction or under a bridge or overpass under its jurisdiction; prohibits the department from commencing initial clean-up activities, vegetation removal, or site securing activities until the municipal or county government whose geographic boundaries include the camping removal site has ensured that no persons are occupying the site.	SB0217
313	Treasurer, State	As enacted, sets the maximum award of compensation under the Criminal Injuries Compensation Act of 1976 at 105% of the national average of the maximum compensation award provided by the 50 states within the United States, the District of Columbia, and the United States Virgin Islands, rounded up to the nearest \$100; requires the state treasurer to publish on the department of treasury website the maximum compensation award for claims filed for crimes occurring on or after July 1, 2025.	SB0252
340	Treasurer, State	As enacted, removes the restriction that earnings in an achieving a better life experience account may only be expended for a student's education expenses; redefines "disability certification" and "eligible individual" to have the same meaning as in the Internal Revenue Code and all rules and regulations released by the United States treasury.	HB0496
101	Trusts	As enacted, establishes as a default rule of state trust law that a beneficiary is a non-fiduciary unless appointed in such capacity, and makes certain other changes relative to trusts.	HB0817
171	Uniform Commercial Code	As enacted, specifies that a filing office in receipt of a petition for review filed by a secured party contesting a public official's affidavit that a financing statement was filed without legal cause submit the UCC financing statement that is the subject of the petition and the notarized affidavit of the public official to the administrative procedures division of the office of the secretary of state, in addition to the existing requirement that the petition itself be submitted; requires the prevailing party in the contested case hearing to provide the filing office with a copy of the administrative law judge's determination.	SB0544
78	Utilities, Utility Districts	As enacted, authorizes the members of the board of directors of energy authorities formed under the Municipal Energy Authority Act to receive certain additional compensation for attendance at meetings for each additional utility system over which the board has jurisdiction and health insurance coverage.	HB0100

Chapter Number	Subject	Abstract	Bill Number
166	Utilities, Utility Districts	As enacted, creates a process by which a utility district commissioner who becomes ineligible to serve for failing to meet training and continuing education requirements may be reinstated; reduces the number of hours of training and continuing education for utility district commissioners from 12 hours to six hours in each continuing education period following the initial 12 hours of initial training and continuing education.	SB0380
170	Utilities, Utility Districts	As enacted, authorizes certain utility systems to borrow money in anticipation of revenue collections and to issue negotiable notes to evidence such borrowing to provide emergency cash flow for such systems, with oversight of such actions by the comptroller of the treasury; establishes deadline for the payment of such notes.	SB0518
490	Utilities, Utility Districts	As enacted, makes revisions to present law relative to utilities.	HB0542
223	Veterans	As enacted, enacts the "Safeguarding American Veteran Empowerment (SAVE) Act."	SB0362
393	Vital Records	As enacted, requires certain records or papers for a person relating to the adoption or attempted adoption of a person in the possession of the office of the clerk of the adoption court; the offices of the department of health; the office of any child-placing agency, whether or not it is chartered or licensed; or any other information source, to be made available to the department of children's services for the purpose of searching for a kinship foster care placement.	SB1116
233	Water	As enacted, clarifies that if a point-of-entry treatment device is installed in a facility solely to soften hard water and, because of the installation of such a device, the house, building, or complex of buildings meets the definition of a public water system under the Tennessee Safe Drinking Water Act of 1983, then the facility constitutes a consecutive system, and is required to monitor the influent and finished water for hardness, alkalinity, and pH on a quarterly basis, and sodium on an annual basis, and report the results to TDEC within 15 days of the end of the reporting period.	SB0258
283	Water Authorities	As enacted, generally authorizes the board of directors of a municipal energy authority to, as part of the transfer of a water and wastewater system, adopt and assume all or any portion of such regulatory powers, authority, duties, obligations, and oversight over the water and wastewater operations as were applicable to the municipal water and wastewater system pursuant to ordinances, resolutions, or other rules or policies that were in effect immediately prior to the transfer of such system to the authority; authorizes later amendment to such rules, regulations, and requirements.	HB0660

Chapter Number	Subject	Abstract	Bill Number
342	Water Pollution	As enacted, expands from wetlands to all areas that an aquatic resource alteration permit may apply to the areas for which the department of environment and conservation is required to exempt from compensatory mitigation an amount of area equal in size to the area for which mitigation would not be required if the permit applicant qualified for coverage under a general permit, if the only factor that disqualifies an applicant for an aquatic resource alteration permit from having the activities for which a permit is sought covered under a general permit is the size of the area that the permit will apply to.	HB0612
437	Water Pollution	As enacted, requires the division of water resources in the department of environment and conservation, in collaboration with U.S. army corps of engineers, as necessary, to annually report information concerning compensatory mitigation provisions in aquatic resource alteration permits (ARAPs) issued during the prior fiscal year to the governor, the comptroller of the treasury, and the chairpersons of the commerce committees; and to establish four categories of isolated wetlands for regulatory purposes; makes related changes.	SB0670
81	Welfare	As enacted, removes the requirement that a parent or caretaker enter a personal responsibility plan that requires a child to attend school and receive immunizations and health checks; removes certain requirements for a parent or caretaker regarding personal responsibility plans; removes a 20 percent reduction in temporary assistance payments for failure to comply with certain personal responsibility plan requirements.	HB0107
477	Wine & Wineries	As enacted, exempts the sale of wine for consumption on the premises of a winery or farm wine producer, including the premises of a satellite facility, including tastings and sealed bottles sold at retail for consumption on the premises, from the liquor-by-the-drink tax on alcoholic beverages.	HB0160
167	Witnesses	As enacted, establishes procedures for the use of certified facility dogs during witness testimony and other court proceedings; establishes standards for certified facility dogs.	SB0391
86	Workers Compensation	As enacted, increases, from 30 to 35, the minimum age for an individual to serve as a judge on the workers' compensation appeals board; increases, from two to three, the number of additional terms to which a judge of the workers' compensation appeals board may be reappointed; makes other changes related to workers' compensation.	HB0128
480	Workers Compensation	As enacted, creates a presumption that the diagnosis of a law enforcement officer or emergency medical responder with post-traumatic stress disorder as the result of responding to certain incidents was incurred in the line of duty for purposes of workers' compensation coverage.	HB0310
363	Zoning	As enacted, makes certain changes to the powers and duties of county and municipal boards of zoning appeals.	SB0365
